### SCHOOL BOARD

The School Board meet for the final time this term on Tuesday 10<sup>th</sup> November. The Board will endorse the Professional Development Days for 2016 and the Contribution and Charges for 2016. Following this meeting appropriate letters to parents will be sent out in regards to these items. The Board will also review financial reports for 2015 and preliminary planning for 2016.

### 2015 SCHOOL PLANNING – IS YOUR CHILD LEAVING ROSEWORTH?

Our school administration is spending a great deal of time planning for the 2016 school year and we need to know precise 2016 student numbers as soon as possible. All of the funding that comes to Roseworth Primary School to provide our staff, manage the many programs we offer and to maintain our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is not returning to Roseworth in 2016 (excluding our current Year 6 students of course) so that we can prepare for 2016. Likewise, if you are aware of families who will be moving to our school in 2016 this is also very important.

### P&C BUNNINGS SAUSAGE SIZZLE FUNDRAISER

To our P & C and staff who donated their time to assist at the sausage sizzle fundraiser last Saturday – Great job! We managed to raise close to \$2 000 for our P & C and this is an outstanding effort. Sincere thanks must go to the small, but energetic, team that spent most of the day manning the Sausage Sizzle at Balcatta, Bunnings.

### 2016 PRE-PRIMARY / KINDY PARENTS MEETINGS

A reminder to parents of prospective 2016 Pre-Primary and Kindy students that information sessions will be held in Week 8. The Pre Primary meeting is on Tuesday 1<sup>st</sup> December at 9.00am and the Kindy meeting will be held on Wednesday, 2<sup>nd</sup> December at 9.00am. All of the information that you will need to know for 2016 will be provided during these sessions so it is important that you come along. We look forward to seeing you.

### SWIMMING PP-YR 6 CLASSES AND ESC CLASSES

This Friday our students are finishing off a successful two weeks of Swimming Lessons at the Balga Pool. It has been wonderful to hear positive reports from the Swimming Teachers about our students throughout the Swimming Program this year. Well done to all those students who were well behaved and focused during the series of lessons. The value of Swimming Lessons far outweighs the interruptions to our normal program and it is very important that children today are aware of safety procedures near water. Thanks to our teachers for being flexible and adapting to the need for a change to the usual school program for the past two weeks. We will be back to our usual school program next week. Swimming Certificates will be given out when the lessons are complete and we look forward to many students making progress with their skills and effort since last year.

## 2016 SCHOOL PLANNING – IS YOUR CHILD LEAVING ROSEWORTH?

A reminder that for the remainder of the year our school administration is planning for the 2016 school year. All of the funding that comes to Roseworth Primary School to provide our teachers, support staff and to manage our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is **not** returning to Roseworth in 2016 (excluding Year 6 students) so that we can prepare for 2016. Please complete the following and return to the Front Office ASAP if your child is **NOT** returning to Roseworth PS in 2016.

### **ROSEWORTH AND PARENTS PROGRAM (RAPP)**

We have again started out RAPP sessions and our Semester 2 RAPP Program is well underway. We have a group of six families who are participating in this fun and informative initiative each week. Thank you to the staff who are volunteering to assist in running the program and to our fantastic Canteen staff who have been providing terrific, yummy meals each week for us to enjoy.

### **MAINTENANCE AND GARDENING AROUND THE SCHOOL**

During the term we have had quite a lot of maintenance done around the school. Mr and Mrs Jenner have been busy completing a number of small jobs in classrooms and around the playground. Having Mr Jenner's handyman skills has saved the school considerable money and we are lucky that he has his own business and is able to help us with these jobs. Recently they have completed a series of paving jobs around the school and this has made our school a much safer place to be. Mr Tame and Mr Bowran have been busy in the garden and a number of projects are planned to beautify our grounds.

### **NEW FITNESS APPARATUS**

We hope to have some new fitness apparatus installed around the oval in the very near future. This has been in the planning since the beginning of the year and we hope this will be completed in the next couple of weeks. A variety of pieces of gear have been on order for some time and we will be able to use these to create a fitness circuit around the oval. We hope to incorporate this equipment for use as part of our PE Program and our Fitness Program in the mornings.

### **BOOK FAIR, ART SHOW and OPEN AFTERNOON**

Next week we will be having our annual BOOK FAIR. This is a great opportunity to purchase good quality books at reasonable prices and all purchases help our Library too. The Book Fair is on Tuesday, Wednesday and Thursday of next week and we are combining the Book Fair on Wednesday 11<sup>th</sup> Nov with our "Open Afternoon" and "Art Show". We are inviting parents/carers to come to school and have a picnic lunch and then visit classroom during the afternoon to be part of some History related activities with your children. Mrs Smith has been very busy coordinating our Art Program during the year and much of our student work will be on display next Wednesday during our "Open Afternoon". The Art Show will be in the undercover area and the Art Room and we invite you to look at the fantastic work our student are doing as we have many budding artists! The focus of the Open Afternoon will be History and we would like to showcase some of the activities and strategies we are implementing in the classrooms on a regular basis. Please come along and join in the fun with our classes. Please invite Grandma and Grandpa too!!!

### **INDIGENOUS MEETING PLACE**

As you may have seen we have recently made some improvements to our Indigenous Meeting Place under the trees near E4. Mrs Foley has completed some outstanding artwork that has been added to the shelter and our Happy Kids have created a small garden in front of the area. Mrs Smith is planning some further pieces of art to be on display in this area before the end of the year. A big thank you to Mr Mackie, one of our fathers, who helped us to put up Mrs Foley's wonderful work a few weeks ago.

## ESC NEWS

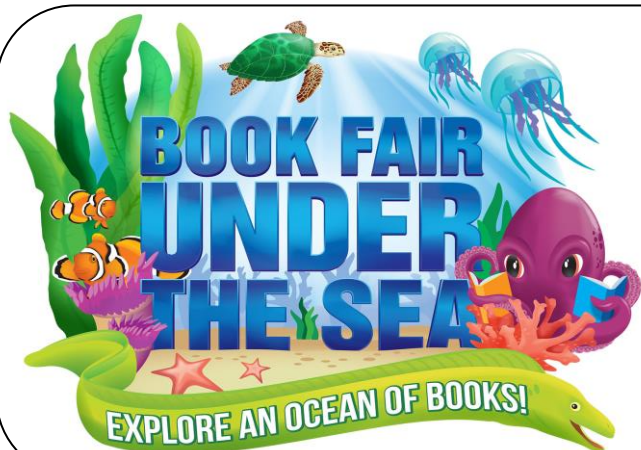

We have just about finished swimming and everyone has been on their best behaviour at the pool and trying hard to do well to improve their skills. Keep going! In the next couple of weeks, teachers will be starting to write their reports and finalise the Individual Education Plans. This is an important part of the school year. It is exciting for them to see in writing how their students have progressed. We are looking forward to seeing as many parents as we can at the Open Day (Wednesday) next week. If the weather remains fine as it is now, it will be very pleasant to have a picnic lunch with your child and then look at the work that has been covered during the term. Thursday next week is the half way mark for the term. Congratulations to the P&C on a fantastic effort at the Sausage Sizzle at Bunnings on Saturday. I would encourage you all to become involved in supporting the school by joining the P&C Committee (those who haven't already!!) or helping out with these fundraising events. It makes a difference to all the students of the school and the centre. Mrs Watt continues to make improvements in the strength of her knee and is keeping well, as is Mrs Kinna, who is about to have another operation. This time on her hand.

## COMMUNITY INFORMATION

### CHILD AND PARENT CENTRE

The Child and Parent Centre is a welcoming and friendly place to come to and we love to see new faces. Feel free to come along and visit for a coffee and a chat.

Thursday craft and Friday lunch will continue weekly this term at the Child and Parent Centre and all are welcome to attend either or both sessions.

Out the front of our building we have a "free table" with items donated by staff and community members. Please feel free to add or take items from this table.

Thanks

Child and Parent Centre-Roseworth

### P&C

A big thanks to all who helped out at the Bunnings sausage sizzle on Saturday. It is always a fun and profitable day.

### Fundraising for Term 4

Tickets for a Christmas raffle are being sent home this week. Please send the money and ticket stubs back into the Canteen or the P&C box in the Front Office. If you know of any businesses who may donate prizes please let Emi know so we can approach them.

### Uniform Shop

Uniform shop is open on Tuesday mornings from 8.30-9.30. If you would like to order at any other time please place the correct money and the order in an envelope and take it to the front office. It will be filled within 3 days of placing the order.

### Banking

Friday from 8.30-9.00am banking operates in the Child and Parent Centre. To help reward individual savings efforts every time a student deposits into their Youthsaver account through School Banking, regardless of the amount, they'll receive a Dollarmites token. Once they've collected 10 tokens they can redeem them for a variety of exciting reward items. They'll also receive a certificate when they reach certain savings milestones.

### Canteen

The Canteen ladies work very hard to deliver nutritious lunches to the children who order. Remember if you would like to order lunch without a drink you can at a cheaper price. This is a good option for larger families who may not be able to afford full price lunches for everybody. The price increase has now taken effect. Lunches are now \$6.00 with a drink or \$4.00 without a drink. The P&C keep prices as low as possible and regret having to increase prices.

The current P&C executive committee consists of Dawn Sutherland, Jessica Biggs, Emi Jackson and Tara Gordon. In 2016 both Dawn and Jessica will not be returning to the P&C committee as they no longer have children at the school. We urge all parents to consider playing a part in the P&C next year. P&C manage the Uniform Shop and Canteen and fundraise \$4000-\$6000 per year to contribute to school projects. If you are interested please let one of us know and we can start to teach you the roles and responsibilities involved. There has been a P&C committee involved in the school for many years and it is very important that this continues. The benefits of being a part of the P&C are opportunities to learn and developing skills in teamwork, fundraising, financial management and volunteering for the community has its own rewards!
