PRINCIPAL POSITION – Update
I have been informed by Melissa Rinaldi, Coordinator of Regional Operations, that Mr Chris Brackenreg has been successful with his application for the position of Principal at Roseworth PS. The breach period has now finished and he is confirmed as the successful candidate for the position. Mr Brackenreg will commence as the Roseworth PS Principal at the beginning of Term 3. He is currently the Principal at Mirrabooka PS and will hopefully visit Roseworth before the end of term to meet the staff.

As of Term 3 I will return to my substantive position as Deputy Principal at Roseworth PS so will be on site to help facilitate the transition of a new Principal to Roseworth PS. I am sure that the move to Roseworth PS will be smooth and I am meeting up with Mr Brackenreg this term to discuss the handover and welcome him to the school. He is looking forward to the challenge of a new position and meeting the Roseworth PS staff, parents and Board members. We look forward to working with Mr Brackenreg and showing him all the great programs and activities we have here at Roseworth.

OPEN DAY PICNIC AND VALUES ACTIVITIES
Today we had a great afternoon of activity, starting with a whole school picnic on the front lawn with parents and grandparents. This was followed by our Values Activity afternoon where all the Yr 1-6 students were involved in activities that promoted positive values and required students to work together and cooperate to be successful. It was a fun afternoon and it was great to see everyone getting along and working together.

RAPP
We completed our Semester One RAPP Program last week, with our Graduation celebration last Thursday night. We had 6 families attending our very successful Roseworth and Parents Program (RAPP) this semester. It has been a fantastic experience and once again has been most successful and rewarding. Thanks to the Canteen staff for catering for the RAPP sessions and to our valuable and dedicated staff for assisting to run RAPP each week. It has been a most enjoyable series of sessions.

Yr 6 SAUSAGE SIZZLE AT BUNNINGS
The Yr 6 teachers organised a Sausage Sizzle at Bunnings last Sunday to help to raise money to pay for Camp and other Yr 6 activities throughout the year. The teachers were up early and at Bunnings setting up the Sausage Sizzle at 6:30am on Sunday- I was there so I can vouch that it was a little chilly at that hour! It was a long but successful day and they raised about $1300 and still have approximately $200 of cool drink to sell so the total profit should be about $1500, which will go a long way towards assisting with Camp and activity costs. I particularly thank Mrs Hawkey and Mr Doughty who worked tirelessly all day as well as putting in a lot of time sourcing and purchasing the food and other things needed beforehand to ensure that everything was ready on the day. A big thank you must also go to those parents of Yr 6 students who gave up their time to help out on the Sausage Sizzle. There were quite a few staff members who supported them also by helping out for an hour or so during the day.

MORNING ROUTINES – TIME OF ARRIVAL AND UNDERCOVER AREA MEETING POINT
We have recently had some students arriving at school far too early in the mornings. Generally, between 8:15 and 8:30 is a good time to arrive. We have also recently noticed that some students are not going to the undercover area upon arrival. Each morning all students at Roseworth, regardless of their year level, come to the Undercover Area and are supervised until 8.35 am when they are then released to go to their classroom. This is a very successful and safe way for us to start the school day. Students who arrive after 8.35am can go directly to their classroom. Students are not to wait outside their classrooms but are required to go to the Undercover Area until the Duty Teacher dismisses them at 8:35.
UNIFORMS
It has been disappointing to see a number of our students arriving to school wearing jackets or jumpers that are not school uniform. We expect all students to be wearing the full school uniform, not just the t-shirt! Our uniform helps us to create a sense of identity and belonging at Roseworth and we thank parents for supporting us by ensuring that students are in their correct uniform. Our P & C work hard to manage the Uniform Shop and we congratulate them on a wonderfully run enterprise. The Uniform Shop is open between 8:30 and 9:30 each Tuesday if you need to update your uniforms for winter.

UPDATED INFORMATION TO THE FRONT OFFICE PLEASE
Throughout the term there are often changes to information that we have at school such as your child’s address and contact phone numbers for parents or guardians. If any of these details have changed, we would very much appreciate the Front Office being informed so that we can make adjustments to our records. It is very important that we know how to contact families so the correct phone number and address certainly helps.

STUDENTS RIDING BIKES TO SCHOOL
Please remember that if students are choosing to ride a bike to school they should be wearing a helmet for safety reasons. This is a requirement by law and should be adhered to. It is also important that students lock up their bike or scooter during the day and do not just leave it unsecured.

SURVEY FOR PARENTS AND KIDS

Researchers at the University of Western Australia are looking for parents with children or teens between the ages of 8 and 16 to help us find out more about the relationship between the personality trait, narcissism, and children's emerging understanding of who they are (their sense of self and self-esteem).

The survey can be done over the internet and at home, and it takes about twenty minutes of your time (5-10 min parents and 10-15 min children). Parents are given the opportunity to enter a draw to win one of twenty $50 gift certificates to Coles/Myer.

BUTLER FALCONS

The Butler Falcons have made a flying start to their 2015 season. After a rigorous pre-season the girls were ready to take the field in their opening two clashes against Irene McCormack Catholic College and the Coolbinia/Ellenbrook Dockers Youth Girls Team.

In the first encounter against Irene McCormack on Thursday 14th May, the Falcons dominated the game from the beginning, running out eventual winners 13 11 89 to 1 1 7. It was a good experience for both teams with the Falcons working on their game plan and the younger IMCC team getting good match practice.

On a rain soaked, windy Sunday 17th May, the Falcons took on the Coolbinia/Ellenbrook Dockers Youth Girls Team. The Falcons stormed out of the blocks kicking three goals to one in the first quarter. The Dockers fought back hard to keep it level pegging in the second and leave the Falcons three goals up at the main break. After half time the Dockers came out firing booting two goals to none to set up an epic last quarter. But the Falcons steadied in the last kicking four goals to one to run out eventual winners 7 5 47 to 5 3 33.

Both teams hosted the Falcons at their home grounds and the hospitality was great. We hope to continue to develop strong links with local clubs and schools to give the girls more match practice.

Three Butler Falcons attended the launch of Bounce Down – Women’s Australian Rules Football Centenary on Friday 29th June. They were able to chat to the assembled guests, including the Minister for Sport the Honourable Mia Davies, about their AFL journey and aspirations for the future. The Young Falcons will play the Edmund Rice Centre Young Lions on Sunday 7th June at 4 pm at Barry Britton Reserve in Balga. Come down and support the team!
