LAST WEEK OF TERM TWO

This term has been a productive one with lots of exciting events. This Friday is the final day of term and no doubt everyone is looking forward to the two weeks of school holidays. We have had a very hectic term and the staff, students and school grounds and facilities now need a rest before we commence again in Term Three. ***School commences again for students on Tuesday 19th July, as Monday 18th July is a School Development Day for all students of Roseworth Primary School and Roseworth Education Support Centre.*** The staff from both schools will be in attendance on Monday the 18th July and we will be engaged in a number of professional learning opportunities during the day.

DEPUTY PRINCIPAL POSITION/STAFFING UPDATE

It is with delight that I announce that Mrs Trish Lee has been appointed Deputy Principal of Roseworth PS for the remainder of the year. Trish has undertaken the role this term on a part time basis but will move into the position full time from Term 3. I would also like to thank Mrs Coumbe for her commitment to the school in coming back from retirement this year to support our School. Mrs Coumbe will now go back into retirement mode, however we will still see her from time to time as staff take leave.

In terms of other staffing movements, I would like to thank Mr Ian Wilkie for his contribution to the School in 2015 and 2016, specifically his role as PE teacher. He has been a committed staff member who has worked tirelessly to provide a terrific program for the students. We wish him well in the future and also anticipate that we will see him back at the school from time to time. Mrs Keunen has commenced in that role following her maternity leave and we welcome her back from her leave.

NAIDOC ASSEMBLY

We held our NAIDOC assembly this morning. NAIDOC Week celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people. NAIDOC is celebrated, not only in indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support the local Aboriginal and Torres Strait Islander community. At Roseworth PS, approximately 16% of our student population are of Aboriginal or Torres Strait Islander descent. We are lucky that our student population is so culturally diverse. We have representation from more than 36 different cultural groups and we should celebrate this fact as we can learn a lot from other cultural groups. We had some special guests and activities at the NAIDOC Assembly and they were enjoyed by everyone. Our students also took part in a colouring in competition and quiz in the lead up to the assembly. I thank Mrs Foley and Mrs Smith for their efforts in coordinating the NAIDOC celebrations for 2016.

INTERSCHOOL WINTER SPORTS CARNIVAL

On Friday 17th June Roseworth PS was involved in the Interschool Winter Carnival, along with a number of other schools. We fielded teams in AFL, Soccer and Netball throughout the day and there was a huge amount of activity and some very tired students and staff by the end of the afternoon. Our teams tried very hard all day and were great ambassadors for our school. My special thanks to our staff for coaching, training and managing our teams throughout the term and on the Carnival day. Mr Wilkie helped to coordinate the day along with the PE Teachers from the other competing schools. I was impressed to hear many positive comments about the way that our students conducted themselves during the interschool matches, both over the term and at the Winter Carnival. A number of parents and caregivers attended and supported our students at the Carnival and I am confident this helped our students to perform to the best of their ability.

CLASSROOM ITEMS - Ready for TERM 3

Some students have used most or all of their school supplies already and need these replaced/updated ready for Term 3. Please check with your child that they have the necessary school supplies such as a pencil case, lead pencils, red pencils for ruling up, an eraser, a sharpener, a ruler, coloured pencils and textas. If these can be checked and updated ready for Term 3 then we will be off to a good start and the students will be able to perform to their potential if they have the right equipment available to them right from the start of the term.

STUDENT REPORTS

Student reports for Kindergarten to Year 6 were sent home yesterday. We encourage families to sit with their child, read through the report and discuss each learning area, look at attitude, behaviour and effort and ensure that your child understands the comments made by the classroom teacher. These reports are a snapshot of how your child is progressing at Roseworth PS. Please do not hesitate to contact your child's teacher should you wish to discuss any aspects of your child's report. All class teachers are available for parent-teacher meetings following the distribution of reports, however it is best to make a formal appointment so as the teacher is able to set aside time to talk to you about your child. Please contact the teacher directly to arrange a suitable time if you wish to discuss your child's progress.

2017 KINDERGARTEN APPLICATIONS AND PRE PRIMARY ENROLMENTS

WASTE-FREE LUNCH CHALLENGES AT ROSEWORTH!

TERM 2 WINNING CLASS - W2

The Year 6s conducted another WASTE-FREE LUNCH CHALLENGE last Wednesday and it was fantastic to see **W2** had **12** waste-free lunch boxes! It is very encouraging to see some very healthy, waste wise lunches being sent to school. Next semester we will be conducting two waste-free lunch challenges each term. Some handy hints to help you ensure your child's class wins the next challenge are:-

1. Pack your food in re-usable containers.
2. Cut down on packaging and food waste by purchasing fresh produce and bulk bin items.
3. Use a refillable drink bottle.

CANTEEN

In recent weeks canteen sales have been down. The canteen is run by Jane (who is employed by the P&C) to provide this sensational service to the families and staff at Roseworth Primary and Roseworth ESC. We don't need the canteen to run at a huge profit (we see it as a service rather than a profit-making venture) however, it must be able to support itself (pay staff wages & maintenance when required).

As a P&C we need you to support our canteen to maintain the current hours of operation. Make it a special treat for your kids. This can be either supporting it by ordering lunch or purchasing goods at recess and/or lunch time. We recognise and appreciate all our families who do support our canteen and we thank you. During the remainder of the year we will look to getting your feedback about how we can further develop the canteen to meet the needs of families.

Happy Holidays from Roseworth P&C. Time to relax and recharge the batteries. Your support during this term has been phenomenal and we look forward to it continuing for the remainder of 2016.
