The relationship between home and the school plays a very important part in a child's education. We cannot overestimate the critical role parents play in successful learning. Parents contribute much to their child's development and are among the most important influences on the way in which the child approaches learning. Teachers are responsible for the more formal aspects of children's learning, and successful teaching builds on the home experiences of the child. This is most effective where there is an active partnership with parents. Two-way communication is a critical factor in the partnership between parents and the school. Where a partnership exists, it is easier for parents to feel confident about the teaching and learning taking place in the classroom and to solve problems. I want to urge you to make contact with myself if you any concerns or simply if you want to provide any feedback to the school.

What might you talk to your school about?

- Issues particular to your child
- School or class issues
- Access to support services

How your school communicates with you –

- Reports on student progress
- Regular information about the school through newsletters
- Parent-teacher interviews
- Notes
- Surveys
- Displays of children's work
- Assemblies
- Special events and celebrations
- Parent information booklets
- Parent information sessions

In addition I would like to extend a warm welcome to all of our existing families and to our new families for Term 3 at Roseworth PS. We have had a smooth start to the term and are pleased to see everyone back after the school holiday break. This is a very busy term with many events occurring throughout the term. Major activities this term include our Book Week Performance and Parade, our Faction Athletics Carnivals, our Interschool Athletics Carnivals, School Photos, our Happy Kids Expo and a Science Alive show. There will be much to do and lots of fun and learning to be had as well so all in all this is a very busy term.

FACTION CARNIVAL – Week 7

Our much awaited Faction Carnival will be held in Week 7 this term. Jumps, Throws and Long Distance events will be held on Wednesday 31st August and the Sprints, Team Games and Relays will be held on Friday, 2nd September. We are anticipating another bumper crowd and a very enjoyable day of sporting fun. Faction T shirts are on sale at the Uniform Shop and parents can join in by buying an adult Faction T Shirt to support their children. Mrs Keunen and our staff have been working hard to make sure that all of our students can participate fully throughout the Carnival and we are looking forward to another very special day on the Roseworth sporting calendar.

INTERSCHOOL ATHLETICS CARNIVAL – Week 9

Our Interschool Athletics Carnival will be held in Week 9 of this term. The Interschool Carnival will be held on the Wednesday and the Friday and we look forward to having our parents come along and support us in our ventures on the day.

BOOK WEEK PARADE – Week 6, Wednesday 24th August

A reminder to everyone that our annual Book Week Parade will be held on Wednesday 24th August at 9:00am in the Undercover Area. This is always a great activity and we encourage all of our students to participate. We have prizes for the best costumes and as always will be looking for the creativity and effort that is given to creating interesting Book Week costumes.

Students will have to be able to tell us who their character is and what book they are based on to be eligible for a prize. Come along and join in the fun of Book Week which is of course all about encouraging students to read and further develop a love of literature in general.

ROSEWORTH SCHOOL BOARD

The Roseworth PS Board will meet on Tuesday 23rd August to review aspects of school operations. Part of this meeting will examine the voluntary contributions and charges for 2017, School Development Days in 2017 and progress made against the key targets set out in the School Business Plan. Each year the Board hold an open meeting that all parents can attend. This will be scheduled for Term 4 and notice will again go out in the newsletter with specific details.

SCHOOL PHOTOS – Week 5

School photos are coming up next week (Tues 16th Aug and Wed 17th Aug) so try to put some money aside so that you can participate in this activity. Most Class photos will be taken on the Tuesday and these will be completed on the Wednesday, along with School Group photos and Family Photos. Photo Envelopes went home with students and all information was included with these. The school is unable to provide any financial assistance for school photos or accept late payments as all payments are dealt with the photo company directly. Please note that you are not able to use Passport Points to pay for photos. Please return the Photo Order Envelope to the school by this Friday 12th August so we are ready to distribute these once the photographers arrive on their first day. Family Photograph Envelopes can be collected from the Front Office.

KINDY ENROLMENTS FOR 2017

We would like to remind all of our families that official Kindergarten enrolments for 2017 have closed. To gain a place in the Roseworth Kindergarten Program, an Application for Enrolment form must be completed. If you missed this enrolment date or know of families who have not yet enrolled their Kindergarten aged student, then they must do so soon or face the possibility of missing out on a place at our school for 2017. Enrolments can be done at our Front Office as places are still currently available.

PRE-PRIMARY ENROLMENTS FOR 2017

There is no cut-off date for Pre-Primary enrolments, however for school planning purposes the sooner you enrol your child for Pre-Primary the better. If you have not enrolled yet or know of families who have not yet enrolled their Pre Primary aged student can you please contact the Office directly.

HAPPY KIDS EXPO

We will be holding our annual Happy Kids Expo next Thursday, 18th August. There will be a number of activities with the focus of the day again being focused on healthy living and using your leisure time wisely.

NEW PROGRAMS AT ROSEWORTH PS

We have some exciting, new programs starting this term and I am looking forward to getting involved with these as they all sound like great fun. Details are below-

Coderdojo Club – The Coderdojo Club is a fun, free and social learning environment that inspires young students to learn coding, improve their digital literacy skills and work on individual projects with assistance. Ms Carboni and Mrs Critchley are very excited to lead a group of students in our first Coderdojo Club on a Tuesday morning in Term 3. The lucky students will have an opportunity to learn new skills and challenge their technical abilities and a fun time was had yesterday morning at the first session.

Drumbeat Quest - A select group of W1 and W2's students will be building resilience through rhythm in the Drumbeat Quest Program. DRUMBEAT is an acronym for Discovering Relationships Using Music, Beliefs, Emotions, Attitudes and Thoughts. Each DRUMBEAT session focuses on different relationship themes such as social responsibility, values, dealing with emotions, peer pressure, harmony, communication and teamwork. Ms Carboni is looking forward to working with these students and I will be very interested to attend some sessions and have a look at their drumming skills over the term.

HERO Kids Program – Mrs Hawkey and Ms Brockman are running a program they have titled HERO Kids (Homework, Engagement, Responsibility and Organisation). This program will focus on selected students being invited to participate in an after school session twice a week with a focus on completing homework and the development of target skills. Those students invited to be part of the HERO Kids Program commenced this program this week and had a great first session on Monday.
