### COMMUNITY SURVEYS

It is important that we continually strive to improve the programs here at Roseworth PS. We have a strong relationship with the Fogarty Foundation over many years and we have recently joined the Fogarty EDvance program as part of a 3 year school improvement plan. Part of this process involves getting feedback from the students, the parents and the staff about the school. Today you will have received this survey and I strongly encourage you to have input. You can also fill out the survey online by accessing the following website with the details listed below. All parents who fill out the survey either online or by hard copy will go into the draw for a prize. You simply need to notify the office of your family name and indicate whether you have filled it out online or returned a hard copy.

### SCHOOL BOARD COMMUNITY POSITIONS

We had 5 nominations for 3 board positions in the recent election of community Board members. This was fantastic to see such interest in this vital role. Equally impressive was the large number of voting slips that were returned. It was a very competitive and a close vote overall. I would like to thank all nominees for putting their hand up and would like to welcome the three new community representatives to the Board: Neil Davis, Deidre Jordan and Dawn Sutherland. They join Jessica Biggs as the elected community members. We look forward to working with the School Board as we continually strive to make decisions that will enhance the programs running in the school. We have an open community Board meeting each year. This year it will be held in Term 3 should you wish to attend and find out more about how the Board operates. We also will again hold nominations and voting in 2017 as two more community positions become available on the Board.

### HARMONY DAY ASSEMBLY

On Wednesday 23<sup>rd</sup> March we will be having a special Harmony Day Assembly to celebrate the cultural diversity of our school and our school community. At Roseworth we have students and families from many parts of the world and we are very lucky to be able to learn about so many different cultures and to be able to recognise and value the way in which our many cultures continue to shape our school. The Harmony Day Assembly will be held at 9:00am. Our parents and friends are all invited to attend the assembly and celebrate with us. During the assembly there will be items to celebrate our multicultural population and the winners of some competitions will be announced. Harmony Day is now a national day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

### VALUES DAY PICNIC AND AFTERNOON ACTIVITIES

Also on the 23<sup>rd</sup> of March we have a picnic where all parents are invited to share lunch with their child/ren at 12.45pm and stay on for an afternoon of activities that compliment and support our key values in the school. The values program in the School aims to provide a safe, supportive and sustainable environment that underpins a positive, reflective school culture. The RPS Values Program encourages students to develop positive attitudes and skills in order to become independent learners who strive to develop to their potential, respect themselves and others, demonstrate social and civic responsibility and engage in environmental responsibility.

## YEAR 6 CAMP

Our Yr 6 students who have been invited to attend camp this year are keenly looking forward to their camp in Week 9. They are off to Bickley Camp School and a range of exciting and challenging activities have been organised. The students invited to the camp have earned the required number of dots as part of their Leadership Program and have paid the appropriate money to attend. We wish them a safe and enjoyable time and I am sure they will come home exhausted from all the activities that the teachers have organised for them over the three days.

## INTERSCHOOL BASKETBALL COMPETITION

Our Interschool Basketball competition is this Friday at the Warwick Sports Stadium. Students in Years 5 and 6 will represent the school in a round robin format commencing about 9.30am. It will finish just after lunch and if you would like to support your child and our school, please head to the stadium during this time.
