HARMONY DAY ASSEMBLY

Today we had our Harmony Day assembly which celebrated the cultural diversity of our school and our school community. At Roseworth we have students and families from many parts of the world and we are lucky to be able to learn about so many different cultures and to be able to recognise and value the way in which our many cultures continue to shape our school. Our assembly featured a number of our students and gave us a chance to join together in a day of harmony. Some of the activities organised to promote Harmony Day included art and craft, singing and a parade of children in their national dress. Sincere thanks to Mrs Warren for taking the lead role in organising Harmony Day and our associated activities. Harmony Day is a national day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

EASTER

The Easter weekend falls in the school term this year and will be celebrated this weekend. The School will be closed on Friday 25th March and will reopen on Wednesday 30th March. For those families celebrating Easter we wish you a Happy Easter and we hope everyone enjoys their 5 day break.

COMMUNITY SURVEYS

It is important that we continually strive to improve the programs here at Roseworth PS. We have a strong relationship with the Fogarty Foundation over many years and we have recently joined the Fogarty EDvance program as part of a 3 year school improvement plan. Part of this process involves getting feedback from the students, the parents and the staff about the school. You will have received this survey and I strongly encourage you to have input. You can also fill out the survey online by accessing the following website with the details listed below. All parents who fill out the survey either online or by hard copy will go into the draw for a prize. You simply need to notify the office of your family name and indicate whether you have filled it out online or returned a hard copy.

VALUES DAY PICNIC AND AFTERNOON ACTIVITIES

Today we had a picnic where all parents were invited to share lunch with their child/ren and stay on for an afternoon of activities that complimented and supported our key values in the school. The values program in the School aims to provide a safe, supportive and sustainable environment that underpins a positive, reflective school culture. The RPS Values Program encourages students to develop positive attitudes and skills in order to become independent learners who strive to develop to their potential, respect themselves and others, demonstrate social and civic responsibility and engage in environmental responsibility. Thank you to all those parents that attended today. The students really love it when they see you so engaged at the school.

YEAR 6 CAMP

Our Yr 6 students who have been invited to attend camp this year are keenly looking forward to their camp in Week 9. They are off to Bickley Camp School and a range of exciting and challenging activities have been organised. The students invited to the camp

have earned the required number of dots as part of their Leadership Program and have paid the appropriate money to attend. We wish them a safe and enjoyable time and I am sure they will come home exhausted from all the activities that the teachers have organised for them over the three days.

INTERSCHOOL BASKETBALL COMPETITION

Our Interschool Basketball competition was last Friday at the Warwick Sports Stadium. Students in Years 5 and 6 represented the school with distinction in a round robin format. Both teams won at least one game and finished equal fourth for the day. Congratulations to those students who represented our school so well. We are proud of your efforts. Thank you to Mr Wilkie and Mrs Carboni for their efforts in training our teams.

ATTENDANCE OF STUDENTS

We have a small number of students who have recently fallen into the “At Risk Category” for their attendance. Students who regularly miss days of school find great difficulty in developing the skills required to be successful learners. Please make sure that your child attends school every day. Should a genuine absence occur, the school must be provided with a record of why your child was away from school. Please forward any notes and the Medical Certificates from your Doctor to the Class Teacher as soon as possible following an absence. Remember you can use the Schools MessageYou system to advise of absences by text on **0437 784 935**.

ANZAC SERVICE – Last Friday of Term 1

As ANZAC Day falls on the first Monday in Term 2 we will hold our ANZAC Service on the last Friday of this term – 8th April at 9am. Our school Choir will perform and we hope to have some special guests attending the Anzac Service. ANZAC Day is such an important day in the Australian calendar and we are pleased to be able to provide such a professional service at our school each year. As always, we are very pleased to welcome our parents/carers to all of our assemblies.
