## CLASS RESTRUCTURES

The Administration of the school, in collaboration with staff, has examined how classes will be structured during Semester 2. This is in light of lower than expected class numbers and the school being able to optimise the programs offered for the remainder of 2016. With Mrs Hills going on leave for most of second semester we will effectively need to collapse this class and redistribute the students to alternative classes. Whilst this reorganisation has been unavoidable, we have attempted to minimise disruption to the students and will be making every endeavour to make this change a seamless and smooth transition. To support this we will undertake the change in Week 10 this term so that Mrs Hills is able to support those students changing.

The new class structures will be:

- E1: no class
- E2: Year 1 with Mrs Kelly
- E3: Year 1/2 with Mrs Ferguson and Mrs Tomczak
- E4: Year 2 with Mrs Critchley and Sig Blasco
- E5: Year 2/3 with Mrs Durant
- E6: Year 3 Teacher to be appointed
- N4: Year 3/4 with Mr Tapper
- N5: Year 4 with Ms Komadina

All other classes remain the same. A letter will be sent home early next week confirming the arrangements for students impacted by these changes.

## MARKET DAY STALLS – SISTER SCHOOL FUNDRAISER

We have an update on the annual Market Day Stalls that raised money for our school and our Sister School in Cambodia last week. A variety of stalls operated during the afternoon with each class organising one stall, along with a Café and Uniform Stall organised by the P&C. This event again was a huge success and was great fun for all the students, parents and friends that came along. **Over \$3 000 was raised on the day – a terrific effort!!**

## RAPP

We completed our Semester One RAPP Program last week, with our Graduation celebration last Thursday night. We had 5 families attending our very successful Roseworth and Parents Program (RAPP) this semester. It has been a fantastic experience and once again has been most successful and rewarding. Thanks to the Canteen staff for catering for the RAPP sessions and to our valuable and dedicated staff for assisting to run RAPP each week. It has been a most enjoyable series of sessions.

## SINGFEST CHOIR PERFORMANCE

Mrs Weldon and our school Choir performed at the Octagon Theatre and UWA today and from all reports their performance was wonderful. I know the students and Mrs Weldon were justifiably proud of their efforts as they should be. We are very proud of the efforts of all the Choir students also as they always represent the school in a positive light. Well done to everyone involved and thank you to the staff and parents who assisted with the preparation before, during and after the event.

## NATURE PLAY AREA FOR KINDERGARTEN AND PRE PRIMARY

For those parents that have not visited the Early Childhood area recently, it would be worth a visit. We are establishing a 'Nature Play' area for the students of Kindy and Pre Primary. There are a wide range of factors which directly and indirectly influence children's healthy development. One consistent message from different fields of expertise is that spending time

in natural environments enhances aspects of children's physical, sociological, social and psychological development. Children themselves prefer to play in natural environments and specifically trees and grassy spaces. Natural play settings provide more opportunities for both physical and creative play than built play settings. Children have a greater ability to concentrate after exposure to a natural setting than a built setting, regardless of the activity that has taken place. This is the first stage of the project that will continue to see this area developed and more natural play environments at the school.

## **2017 KINDERGARTEN APPLICATIONS AND PRE PRIMARY ENROLMENTS**

**Kindergarten Enrolments** - While it is not compulsory, almost all parents send their children to Kindergarten so they get the best start to learning at school. If you are applying to enrol your child in Kindergarten at Roseworth Primary School, this must be completed by **Friday 22<sup>nd</sup> July 2016**. Parents will be informed of the outcome of applications within three weeks of the closing date for enrolments.

**Pre Primary Enrolments** - If your child is currently enrolled in Kindergarten at Roseworth Primary School and you are not intending on returning for Pre Primary at Roseworth Primary School in 2017, can you please advise the Front Office.

In 2013 Pre Primary became compulsory and every child of Pre Primary age is required to attend school. All children in Pre Primary will be guaranteed places in their local schools. If you are applying to enrol your child at our school please contact the Front Office on 6240 4000.
