LAST WEEK OF TERM TWO

This term has been a productive one with lots of exciting events. This Friday is the final day of term and no doubt everyone is looking forward to the two weeks of school holidays. We have had a very hectic term and the staff, students and school grounds and facilities now need a rest before we commence again in Term Three. School commences again for students on Monday 17th July.

NAIDOC ASSEMBLY

We held our NAIDOC assembly this morning. NAIDOC Week celebrations are held across Australia each June/July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander people. NAIDOC is celebrated, not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support the local Aboriginal and Torres Strait Islander community. At Roseworth PS, approximately 17% of our student population are of Aboriginal or Torres Strait Islander descent. We are lucky that our student population is so culturally diverse. We have representation from more than 30 different cultural groups and we are always looking to celebrate this as we can learn a lot from other cultural groups. We had some special guests and a day of activities at the NAIDOC Assembly and they were enjoyed by everyone. The activities included dancing, story telling, sport, art and some traditional food tasting. I thank Mrs Foley and Mrs Smith for their efforts in coordinating the NAIDOC celebrations for 2017.

INTERSCHOOL WINTER SPORTS CARNIVAL

On Friday 16th June Roseworth PS was involved in the Interschool Winter Carnival, along with a number of other schools. We fielded teams in AFL, Soccer and Netball throughout the day and there was a huge amount of activity and some very tired students and staff by the end of the afternoon. Our teams tried very hard all day and were great ambassadors for our school. My special thanks to our staff for coaching, training and managing our teams throughout the term and on the Carnival day. Mrs Keunen helped to coordinate the day along with the PE Teachers from the other competing schools. I was impressed to hear many positive comments about the way that our students conducted themselves during the interschool matches, both over the term and at the Winter Carnival. A number of parents and caregivers attended and supported our students at the Carnival and I am confident this helped our students to perform to the best of their ability. All teams did well with the Netball A team finishing on top of the ladder, our Soccer team coming second and our AFL team placed third. This was a great effort by all.

CLASSROOM ITEMS - Ready for TERM 3

Some students have used most or all of their school supplies already and need these replaced/updated ready for Term 3. Please check with your child that they have the necessary school supplies such as a pencil case, lead pencils, red pencils for ruling up, an eraser, a sharpener, a ruler, coloured pencils and textas. If these can be checked and updated ready for Term 3 then we will be off to a good start and the students will be able to perform to their potential if they have the right equipment available to them right from the start of the term.

STUDENT REPORTS

Student reports for Kindergarten to Year 6 were sent home yesterday. We encourage families to sit with their child, read through the report and discuss each learning area, look at attitude, behaviour and effort and ensure that your child understands the comments made by the classroom teacher. These reports are a snapshot of how your child is progressing at Roseworth PS. Please do not hesitate to contact your child's teacher should you wish to discuss any aspects of your child's report. All class teachers are available for parent-teacher meetings following the distribution of reports, however it

is best to make a formal appointment so as the teacher is able to set aside time to talk to you about your child. Please contact the teacher directly to arrange a suitable time if you wish to discuss your child's progress.

MARKET DAY STALLS – SISTER SCHOOL FUNDRAISER

We held our annual Market Day Stalls on Wednesday 21st June to raise money for our school and our Sister School in Cambodia. A variety of stalls operated during the afternoon with each class organising one stall, along with a Café and a couple of pop up stalls organised by the P&C. This event again was a huge success and great fun over the afternoon. We would like to thank all the parents and friends that came along again and enjoyed the afternoon with us. There was around \$2 000 raised on the afternoon. A big thank you to all involved.

It is promising to be a great Faction Carnival so mark the days in your diaries! Come down to support your children, faction and school. Please be advised that all children are required to wear shoes at all times during training and the carnival days.

LIGHTNING CARNIVAL

Congratulations to all that participated in the Lightning Carnival last Friday (16th June). I would like to thank all the students who went and represented Roseworth Primary School. They all showed great resilience and leadership throughout the day and Netball A won and Soccer came second. A big thank you to the parents that came and watched throughout the season and on Carnival Day and a huge thank you to Marcey Smallman and Neil Davies for umpiring during the season too.

SCHOOL PHOTOS

Week 5 of Term 3

School photos are coming up in Week 5 of next term (Tues 15th Aug and Wed 16th Aug) so try to put some money aside so that you can participate in this activity. Class Photos will be taken on the Tuesday and these will be completed on the Wednesday, along with School Group photos and Family Photos.
