NEWSLETTER 4 22nd March 2017

SCHOOL DEVELOPMENT DAY

I indicated in an earlier newsletter that there had been a change to the schedule of School Development Days this year and that there would now be one held this term. It will be on Monday 3rd of April and students will not attend school this day. We have been fortunate to secure the services of a leading Maths expert to provide staff with a some professional learning around the teaching of Mathematics in primary schools. This is a focus of our planning this year through the Fogarty EDvance Program as we strive to ensure that students achieve their best in Maths. The Roseworth Education Support Centre will remain open as usual on this day as they have scheduled their School Development Day later in the year.

COMMUNITY SURVEYS

It is important that we continually strive to improve the programs here at Roseworth PS. We have a strong relationship with the Fogarty Foundation over many years and we now in the second year of the Fogarty EDvance program as part of a 3 year School Improvement Plan. Part of this process involves getting feedback from the students, the parents and the staff about the school on a yearly basis. You will have received this survey and I strongly encourage you to have input. You can also fill out the survey online by accessing the following website with the details listed below. All parents who fill out the survey either online or by hard copy will go into the draw for a prize. You simply need to notify the office of your family name and indicate whether you have filled it out online or returned a hard copy. To date we have received over 60 returns for the survey—this is more than last year already and we still have 3 weeks to get the surveys in.

HARMONY DAY ASSEMBLY

Today we held a special Harmony Day Assembly to celebrate the cultural diversity of our school and our school community. At Roseworth we have students and families from many parts of the world and we are very lucky to be able to learn about so many different cultures and to be able to recognise and value the way in which our many cultures continue to shape our school. During the assembly we celebrated our multicultural population. Harmony Day is now a national day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it. It was great to see so many students and staff wearing their national dress or wearing orange as a symbol of harmony in our community.

YEAR 6 CAMP

Our Year 6 students who have been invited to attend camp this year are keenly looking forward to their camp next week. They are off to Bickley Camp School and a range of exciting and challenging activities have been organised. The students invited to the camp have earned the required number of dots as part of their Leadership Program and have paid the appropriate money to attend. We wish them a safe and enjoyable time and I am sure they will come home exhausted from all the activities that the teachers have organised for them over the three days.

ATTENDANCE OF STUDENTS

We have a small number of students who have recently fallen into the “At Risk Category” for their attendance. Students who regularly miss days of school find great

difficulty in developing the skills required to be successful learners. Please make sure that your child attends school every day. Should a genuine absence occur, the school must be provided with a record of why your child was away from school. Please forward any notes and the medical certificates from your Doctor to the class teacher as soon as possible following an absence. Remember you can use the Schools MessageYou system to advise of absences by text on **0437 784 935**.

ANZAC SERVICE – Last Friday of Term 1

As ANZAC Day falls on the first Tuesday in Term 2 we will hold our ANZAC Service on the last Friday of this term – 7th April at 9am. Our school Choir will perform and we hope to have some special guests attending the Anzac Service. ANZAC Day is such an important day in the Australian calendar and we are pleased to be able to provide such a professional service at our school each year. As always, we are very pleased to welcome our parents/carers to all of our assemblies.

P&C DISCO

The P&C disco will be held this Friday in the undercover area here between 5.00pm and 7.00pm. All children from Roseworth PS and their parents are invited to attend. It is a 12 years and under disco and tickets are \$5.00 per child. The tickets can be bought from the canteen this week and the canteen will also be selling food and refreshments on the night. Please support the P&C as they do a wonderful job in the school and we look forward to seeing you all there on the night.
