Dear Parent/Guardian

**Re: Student Photographs**

To meet the requirements of the Department of Education and Training WA’s Information Privacy and Security Policy, the school needs to obtain parental/guardian permission before using visual images of students such as photographs and/or work samples of students. This relates in particular to photographs which may be used outside the school environment.

On occasions, Roseworth Primary School may wish to use images of students in a variety of ways to recognise achievement, inform parents and the local communicate of school events or to publicise events and promote the school.

We request your permission to use images of your child in some or all of the ways listed below. You are of course at liberty to withdraw your consent at any time by contacting the school in writing.

GEOFF METCALF
Principal.

I give permission for the staff of Roseworth Primary School to use images and/or work samples of the student(s) named below:
