KIDDO

So far students in North and East Blocks have had 3 sessions of KIDDO. Students are learning to move by hopping, skipping, jumping, throwing and catching. This is done in a fun, encouraging environment. On Wednesdays (Kindy) and Fridays (PP to Year 2/3 (3) have a number of coaches from UWA to help staff know the best ways to improve physical literacy in children. Why not come along this week to see this program in action? Your child's teacher will have the date and time your child's class are participating in KIDDO.

NAIDOC

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Our NAIDOC celebrations will be occurring during Wednesday 3 July week 10. The theme for 2019 is Voice, Treaty, Truth. The day will start with a NAIDOC themed assembly by W7 and will continue all day with many different cultural activities. Parents are most welcome to come along and join in.

SWIMMING

We had another successful year of swimming lessons with students showing improvements in techniques and confidence. Thank you to all the families who came down to see their child in action.

REPORTS

Our classes have been working very hard this semester and the teachers are excited about sharing how your child has gone. This will be through school reports that will be handed out in Week 10, on Wednesday 3rd July. I encourage you to look at the suggestions each teacher has made and discuss with your child their learning goals for next term.

STAFF CAR PARK

With the safety of your children in mind, I'd like to take this opportunity to remind parents not to park in, or drive through, the staff car park.

HOLIDAYS

The school holidays will start on the 8th July. We look forward to seeing everyone back on Tuesday 23rd July.

Friday 24th May : What a wonderful afternoon we had at Koondoola PS playing our second home and away game. It was great to see we had a lot of parents there to watch and to help out too. **Netball A** won 22-2. Best Player Award to Zoe. **Netball B** won 7-2. Best Player Award to

Reuben. **Soccer** lost 1-8. Best Player Award to Yamin. **Football** won 5.4.34 to 4.3.27. Best Player Award to Douglas.

Friday 14th June: It was a very wet Away game at Boyare this week. So wet the Netball games were cancelled at the last minute. They participated in indoor Kick it Cricket with gusto and energy instead. Smile and laughter were had by all competitors. Thanks for those who filled in this week for the footy team. Your help was greatly appreciated. **Football** lost 35 to 40. Best Player award to Jacob. **Soccer** lost 0-2. Best Player to Yamin.

Friday 21st June: The weather turned it on and so did our Roseworth stars. Netball A, Netball B and Soccer both came away with convincing wins while footy was very character building. **Netball A** won 15-1. Best Player to Shannelle-Ann. **Netball B** won 13-3. Best Player to Sarah E. **Soccer** won 10-2. Player Award to Nathan. **Football** lost 3.1.19 to 10.16.76. Player Award to Mathias.

This week **Friday 28th June** is the Winter Carnival hosted by Dianella Primary College. Games will be all day starting from 9:15-2:15. Come down and enjoy the sunshine (we hope) and cheer on our sides.

Plastic Free July!

WHAT YOU CAN DO

Many people who have already mastered refusing the big 4 plastics at home (plastic bags, drink bottles, coffee cups and straws) ask 'what's next?'. It's great that you're excited to challenge yourself to do more – and you can! Sharing Plastic Free July at school is a great next step.

HOW YOU CAN DO IT

There's a lot of power in sharing your ideas and solutions with fellow students and parents in your school. Inspire others with how you've refused single-use plastic with wax sandwich wraps, homemade snacks over store-bought ones wrapped in plastic, reusable water bottles, cardboard pens, plastic free choices from the canteen, and more!

Encourage others by starting to share small ideas. Perhaps they can:

- Take a look at their lunchbox to find one thing they can swap out for a reusable alternative, or;
- Remember to BYO reusable water bottle, cup, cutlery, container, etc., or;
- Choose to refuse shop or canteen items that are wrapped in plastic.

W3

In our Design and Technology lesson we learnt about wind turbines and how they convert wind energy into electricity.

In small groups students designed and created their own wind turbines. These were then tested for durability and speed.

Choir

On the 5th June, the choir performed a concert for the War Widows and Legacy groups. They gave a wonderful performance full of many songs, a poem and were accompanied by the recorder band, flute, drums and piano. It was a very enjoyable afternoon which had everyone singing by the end. Well done to the choir on their performance and Mrs Weldon for co-ordinating this event.

The Visual Art students also created a beautiful backdrop for the Choir featuring Australian scenery. Thank you Mrs Dale!

W4

W4 is learning about how cows produce all the dairy products we use in our homes. While sitting in our classroom in Roseworth we met a real goat and cow farmer via the internet! In live time Farmer Jo spoke with us and other schools across Australia. We could ask her questions and listen to what other schools wanted to know. We found out many things about living on a farm and how technology really helps Farmer Jo.

Roseworth recently gained a new learning buddy, Moo Moo the cow. Moo Moo is part of W4's learning program on how cows on a farm produce dairy products that end up in our kitchens. This production process will be painted on Moo Moo and she'll then end up in Roseworth's gardens to be shared and enjoyed by the whole school.

E5

E5, along with all junior primary classes, have been participating in KIDDO sessions with UWA. KIDDO help the children develop important movement skills in a fun, encouraging environment. E5 have been working on their throwing and jumping skills.

During Weeks 5-9, Term 2, Students in Kindy to Year 2/3 have been participating in UWA's KIDDO Program. KIDDO is a fun program that supports children to be physically active and start learning the virally important Fundamental Movement Skills such as run, jump, throw & catch, as well as developing their confidence to be active. For more information, visit www.kiddo.edu.au.

TIPS FOR LEARNING HOW TO CATCH

Just like reading & writing, kids need to learn to move

This week in the KIDDO session we learnt how to catch:

Eyes on the ball

Hands move to the ball

Balls below the waist = wiggly worm fingers

Balls above the waist = butterfly fingers

Fun games to play at home:

Balloon taps - tap the balloon in the air as many times as you can

Wall Ball - throw a ball against a wall and try and catch

Take a ball to the park next time you go and play catch, how many can you do in a row

TIPS FOR LEARNING HOW TO THROW

Just like reading & writing, kids need to learn to move

This week in the KIDDO session we learnt how to throw:

Ready: Stand side on like a surfer

Aim: Make a muscle arm

Point non-throwing arm at target

Fire: Step with non-throwing side foot and throw

Fun games to play at home:

Draw chalk targets on the wall & throw at them - use a water balloon to make it even more fun

Super throw - using a small ball try throwing as far as you can, see if you can throw further with each throw

Save the soft toy - set-up out a range of soft toys for your child to throw at. If they hit them they get to rescue them and bring them home.

Looking for work or a career change? Can you see yourself working in a school?

Schools are regularly hiring people for the following roles: Gardener, cleaner, administration, management, canteen or as education assistants.

Starting in July 2019, North Metropolitan TAFE is running a one semester course on the skills required to be a successful candidate for employment in a school. The course aids in preparation for entry into gardening, cleaning, administration, management, canteen and education assistant work.

We have had huge success supporting people to find work and the chances of gaining employment are strong. This course is suitable for existing gardeners, cleaners, administrators etc., and people looking to change career or people looking for work.

The course includes:

- Training in skills specific to the role you are interested in e.g. gardening, cleaning and IT skills
- Work experience in a school or other organisation
- Help and support to find work
- Help accessing further training as required e.g. Certificate III in Education Support
- Development of your job application cover letter, resume and help with selection criteria

Entry requirements:

- Strong work ethic
- Good oral and written communication
- Must be able to read procedures, safety sheets and chemical bottles
- Successful completion of an entry interview
- Working With Children Check and a Police Clearance

Course details:

- 3 days per week - Starts Tuesday 23rd July finishes Friday 13th December (20 weeks)
- Days - Tuesday, Thursday, Friday 9:15 until 2:45
- Cost – Approximately \$180 (total course fee for full 20 weeks)
- Location - based in Leederville and on site

If you would be interested in this course then please email: [Chris Hodson \[chris.hodson@nmtafe.wa.edu.au\]\(mailto:Chris.Hodson@nmtafe.wa.edu.au\)](mailto:Chris.Hodson@nmtafe.wa.edu.au)

Disclaimer: North Metropolitan TAFE does not guarantee work after completing this course. This course supports you to find work. The course is run by North Metropolitan TAFE (RTO code: 52786) and is not endorsed by any authority or government department.

CREATING FUTURES

Communities for Children Facilitating Partner Mirrabooka is funded by the Australian Government Department of Social Services and facilitated by The Smith Family.

CREATING STRONGER FAMILIES

Connected Communities

Connected Communities aims to strengthen families and communities within the Mirrabooka area.

COMMUNICARE

WHAT ARE CONNECTED COMMUNITIES?

Connected Communities is a community based program that provides free in-home support to improve the health and wellbeing of parents and their children. Our program also provides free parenting courses which help parents to feel better connected with their children, as they gain an improved understanding of their children's needs and behaviours.

Parent Mentors are also available to work alongside parents to help implement the strategies learnt from these courses.

Parents who participate in our program may benefit from it by:

- Increasing their knowledge, skills and information to meet their children's social, emotional and developmental needs;
- Maximising their confidence to help their children with early learning, and supporting school transition and engagement;
- Developing their capacity to maintain connections with other families and services.

WHO WE SUPPORT

Connected Communities assists anyone parenting a child up to 12 years of age and living in Mirrabooka, and the following surrounding suburbs:

- Alexander Heights
- Balga
- Cirrawheen
- Koondoola
- Marangaroo
- Nollamara
- Westminster

Communities for Children Facilitating Partner Mirrabooka is funded by the Australian Government Department of Social Services and facilitated by The Smith Family.

Effective from October 2nd 2017 Class WA has become part of Communicare Inc.
