Dear Families,

What a great few weeks we've had with the Faction Carnival, Wildcats Game, Lunchtime Disco and Book Week Parade to name a few of our recent events.

Faction Carnival

Congratulations to all students on the great sportsmanship displayed last Friday at the Faction Carnival. It was terrific to see families cheering on the students as they tried their best. Well done to all factions but in particular a special congratulations to the winning faction Banksia. Thank you to the staff who helped make the carnival a special event and especially Mr Josh Harris & Ms Sue Brockman for the behind the scenes organisation they did.

Thanks also to the Roseworth P&C for a great job with supplying snacks and refreshments throughout the day, lunches and the sausage sizzle. You are a great team who keep the community fed. The work done by our volunteer parents and our fabulous canteen manager Jane, is really appreciated.

Container Deposit Scheme

From 1 October 2020 the Containers for Change offers an opportunity for fundraising while assisting to reduce landfill. The Roseworth schools have registered so if community members are dropping off cans and items at a station, if you quote our Scheme ID **C10289016** – the P&C will receive the funds to help school improvement.

Cyber Safety

Recent stories in the media are a timely reminder of the importance of cyber safety. The school does teach about being safe online but it is also important that families discuss this with their children as well.

The eSafety Commissioner's website is a resource that you may find helpful for general support regarding online safety: <https://www.esafety.gov.au/parents>.

Tips for parents to help limit young people's exposure to harmful content online:

- Engage in your child's online activities
 - ask what apps, sites and games they're using and make sure they're age-appropriate
- Use parental controls on devices to help limit what your child is exposed to
- Help them report and block upsetting content they see on social media sites or apps
- Let them know they can come to you about anything upsetting they see online
- Head to www.esafety.gov.au to find out the latest advice on apps, social media and online safety issues.

Parent Survey

Every two years, every school in Australia is required to administer the National School Opinion Surveys for parents, students and staff. The survey items remain unchanged from 2016, allowing direct comparison between the 2016, 2018 and 2020 survey results. Surveys can be completed online via the following link:

<https://www.schoolsurvey.edu.au/s/8xFWLffY> or by completing a paper copy that is being sent home with your eldest child. These can be returned to the box in the front office. Only one survey per family is required. Please complete this before the end of Term 3.

Faction Carnival

day of events to finish off the carnival. Our students were very well behaved, competed with enthusiasm and demonstrated good sportsmanship over both days. We trialled a tabloid approach to our team games and this was very successful. Every student got a chance to compete in every team game, and there were a lot of tired people by the end of the day. It was wonderful to see so many parents, carers and grandparents attend to cheer our students on, and we thank them for their support. The P&C must be congratulated on the hard work they put in, both on and before the Carnival day. Thank to all the staff who contributed to the smooth running of the day, and our students who participated well. A great day was had by all and the final tally was extremely close this year! Final results were **Banksia** in first place, followed very closely by **Acacia** and then **Wisteria**. Our champions are listed here.

E2

This term, in Science, the E2 students have been learning about living things. We had fun planting, growing and keeping our grass heads alive while investigating their needs.

City Of Wanneroo Leadership Program

The City of Wanneroo visited the school to film the progress that the Leadership Project Team is achieving on their special project. The team decided to create a trail through the school that highlights the partnership between Roseworth Primary School and the local aboriginal culture. They have been working hard with Mrs Foley to identify special locations in the school and create signs that will provide information about the location. The trail will be called the Djen Djen Bidi (Two Feet Walking) and be unveiled at our NAIDOC assembly in Term 4.

Book Week Parade

Congratulations to the winners of the Book Week Parade Wednesday 26th August. The judges were very impressed

with the creativity of the costumes this year. A big thank you to Sacha from The Literature Centre who was a fabulous guest judge.

Spanish

¡Hola! ¿Qué tal?

DID YOU KNOW ? Many places in the USA were named by the Spaniards. Some of them are Los Angeles (The Angels), Las Vegas (The Meadows), Nevada (Snowy), Colorado (Red), Montana (mountain), Florida (full of Flowers), Alcatraz (a type of pelican) and Rio Grande (Big River).

Senora Blasco

Art

In Art the Year 1's had lots of fun colouring their clay birds and then dunking them in some ink! We will be adding more decorations and legs to them too. They look great so far!

E4 & E5

On Wednesday 19th August, E4 and E5 hosted our first live whole school assembly since February!

E4 & E5 spoke about the Dreaming story, Tiddalick the Frog, as an example of why we need to share water.

We shared tips for being Waterwise and explained the importance of saving water so that it can be shared with the people, the animals and the land.

Some of our water saving tips are:

- Do not leave the tap running whilst you are brushing your teeth.
- Take shorter showers.
- Report leaking taps.
- Reuse rain water.

Wildcats Aspire Program

W2 and W3 participated in the Wildcats Aspire Program this term. With assistance from Wildcat stars, Wani Swaka Lo Buluk and Jesse Wagstaff, we learnt about measurement and graphing. In small groups students spent Monday and Tuesdays over four weeks completing hands-on activities.

We were so lucky to have both stars assist with these tasks and were able to compete against the Wildcats in a basketball game. Both classes battled the basketball stars with enthusiasm and showed amazing teamwork! Well done!

W3

In W3 each Friday we have a STEM challenge. We use materials in our classroom to design and build creations that meet our challenge requirements. While we build, we are discovering the different thinking caps we each use.

Wildcats

Congratulations W2 & W3 on playing a great basketball game against the Perth Wildcats on Monday 31st August as part of the Wildcats Aspire Program. You made Roseworth proud.

SPORTS

The weather was just perfect for our Faction Carnival! Well done to all our students who participated on the day. It was great to see so many parents and families cheering each other on. Banksia ultimately won the shield, but every child should be super proud of their efforts this year.

E2 & E3

E2 and E3 had an incursion from Foodbank and participated in the Food Sensations Program in Week 5. The students learnt about healthy eating and nutrition through fun activities. They then worked in teams to cook healthy meals to share with the class. It was very educational and the food was delicious.

W4

On the 10th September, W4 made beeswax wraps! We made them for our waste free lunch, so hopefully our class will have zero waste in our lunch boxes.

Beeswax wraps are a reusable type of wrap, food friendly and safe for the environment. Please use them or reusable containers instead of plastic wraps and plastic bags.

We were very careful and made them with grated wax, fabric, baking paper and a hot iron. It was fun to do something we haven't done before.

REMEMBER TO RECYCLE!

Please remember to make good use of our **SUSTAINABILITY STATION** to recycle and help our planet. You can recycle **aluminium ring pulls, oral products, old pens and markers, plastic bottle tops, soft plastics and bread clips.** We also collect old **batteries.** Bring them into the **front office** or give them to your child's **class teacher.**

2021 SCHOOL PLANNING

IS/ARE YOUR CHILD/REN LEAVING ROSEWORTH?

A reminder that our school Administration staff are beginning to plan for the 2021 school year. All of the funding that comes to Roseworth Primary School to provide our teachers, support staff and to manage our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is **not** returning to Roseworth in 2021 (excluding Year 6 students) so that we can prepare for the year ahead. Please complete this slip and return it to the Front Office ASAP if your child is NOT returning to Roseworth PS in 2021.
