FIRST DAY OF TERM 3

TUESDAY 27th

Waste Free Lunch

AUGUST

MON 2nd - FRI 13th

Swimming Lessons

Dear Families,

We have had a busy and successful term.

Community Art Project

Roseworth PS was successful in receiving an Artist in Residence (AiR) grant. Paul Deej is an artist who has done many murals for schools. Students have worked with Paul to create murals across the school that have a multicultural and inclusive message across three locations: Library Wall (orange section); Corner of W6/W7; and E1 white corner wall.

Student workshops have been conducted to enable students to contribute ideas which Paul will use in the final mural designs. The wider community were given the opportunity to contribute ideas through a community event held on Thursday 10th June. We can't wait to see the final paintings.

NAIDOC

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Our NAIDOC celebrations will be occurring during Wednesday 30th June week 11 The theme for 2021 is *Heal Country.* The day of celebrations will start with a NAIDOC themed assembly by W6 & 7 and will continue all day with many different cultural activities. Parents are most welcome to come along and join in, including a community cultural lunch of kangaroo sausages and lemon myrtle cakes at 12.45pm. All welcome.

Reports

Our classes have been working very hard this semester and the teachers are excited about sharing the progress of your child. This will be through school reports that will be handed out in Week 11, on Wednesday 30 June. I encourage you to look at the comments and suggestions each teacher has made and discuss with your child their learning goals for next term.

Board Nominations

At Roseworth PS your participation and involvement in school activities is highly valued. What better way to contribute than to be part of the School Board who help set the direction for the school. Information sheets regarding Board nominations are being sent home this week and are also available on the school website and the Roseworth Facebook Page. I would like to thank Mrs Ramana Bhullar who has completed her 3 year tenure on the School Board and to acknowledge the great work she has done for the school. Is it your turn? Please nominate now.

RAPP

We had five families participate in the 2021 Roseworth and Parents Program. It was lovely to spend some time to get to know the children and their parents a bit better, especially over dinner. Thank you to Miss Brockman and the wonderful staff volunteers who attended and made RAPP possible.

Louise Nielsen

PRINCIPAL

Please take note of our schools messaging service number, 0437 784 935. We do send notifications regularly, please update the front office if your mobile number has changed.

Commbank School Banking

It is with great sadness that School Banking at Roseworth will come to an end as of Friday 2nd July (last day of Term 2). With declining student banking numbers and limited coordinators, this program will be ceased at Roseworth.

Final banking days will be: Friday 18th June, Friday 25th June and Friday 2nd July.

We encourage all bankers to redeem tokens for rewards before the end of Term.

We thank you for participating in this program. Kind Regards, *School Banking Coordinators*

Passport Program 2021

The Passport Program at Roseworth Primary School is designed to reward parents and caregivers for their contributions to school activities throughout the school year. For each activity that is attended, points are accumulated.

What do I have to do?

- Complete a 2021 Passport application form and a Working With Children declaration in the front office as soon as possible. Your new 2021 Passport will be issued within 2 school days.
- Once you have your Passport and have completed one of the listed activities, request a green slip from the teacher or nominated person. Drop your green slip into the front office.

Points can be redeemed to pay for:

- **Excursions and Incursions**
- **Uniforms** (available from the school Uniform Shop)
- **School Fees**
- **Canteen purchases**
- **Swimming Lessons**

When you wish to exchange your points for Roseworth Dollars, please see Mrs Evans at the front office. This will be processed and you can check your Passport points on a Friday morning at the office.

If you are new to the Passport Program or would like more information, please feel free to drop into the front office to find out more about this wonderful initiative. The Passport Program is managed by Sue Brockman (Deputy Principal) in conjunction with Tracey Evans, our MCS.

Thank you for your contributions to our great school.

HONOUR CERTIFICATES & AWARDS

ASSEMBLY: 9th June 2021

E2	Daniel N, Alanna B	**W2**	Moo Gay Wah, Ricky H
E3	Hadi E Z, Rebekah S	**W3**	Laythan N, Mieim S
E4	Safwaan A, Ngoe Paw C	**W4**	Sarah S, Benji T
E5	Ahmed B, Emily C	**W6**	Ayden H, Phebe P
W1	Adam N, Tina F	**W7**	Alysha C, Jake M

VALUES AWARDS: **Confidence:** Daniel E2 **Getting Along:** Chi Chi W4

Resilience: Magdalene W7 **Persistence:** Denis W3 **Organisation:** Saqr E2

ATTENDANCE AWARDS: Ayden H W6, Ehlwehpoe E3, Shanaya W7, Penny W4, Lily V W6

SWIMMING LESSONS

Reminder that Swimming Lessons are coming soon!

Lessons are planned for Term 3, in Weeks 3 and 4, from the 2nd to the 13th August. Don't forget to put a bit of money aside now, as payment for the lessons will be required in full BEFORE the first session.

Notes will go home at the beginning of Term 3.

Enrolments for Kindergarten are now open!

If your child is born between 1 July 2017 and 30 June 2018 then Roseworth Primary School would like to invite you to come and see us to enrol your child for Kindy 2022.

Application forms can be obtained online at Roseworthps.wa.edu.au
OR in person at Roseworth Primary School

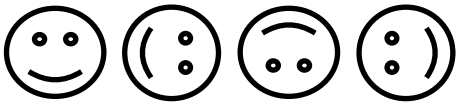
CONTAINER DEPOSIT SCHEME : Roseworth Scheme ID is C10289016.

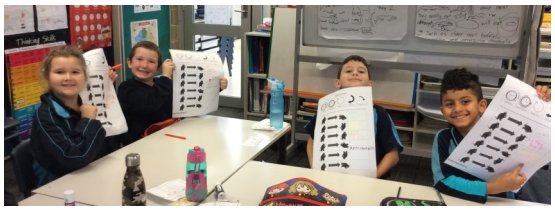
W2

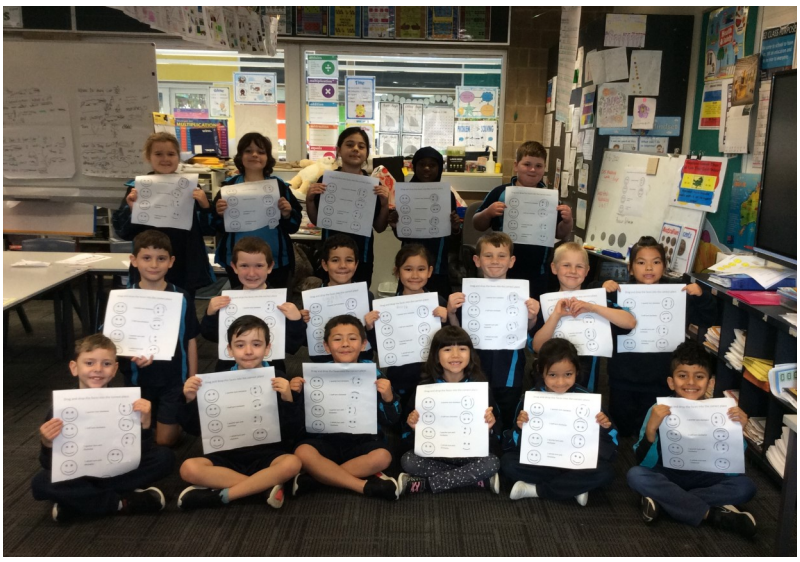
In Science this term we have been learning about heat and energy. We tested which surface created the most friction on the wheels of a toy car. Our class discussed how to make our testing fair and we tested each surface four times. We finished our lesson by discussing which surface had the least amount of friction (it was wood!).

E2

The Year 2 students in E2 have been learning about quarter, half and whole turns. We have learnt that turns can be made clockwise or anticlockwise.







P1 HOW DOES IT MOVE?

On Tuesdays, we love doing Science with Mrs. Foreman. At the moment we are investigating how things move. Do they roll or slide? Do they move on their own? Are they fast or slow?

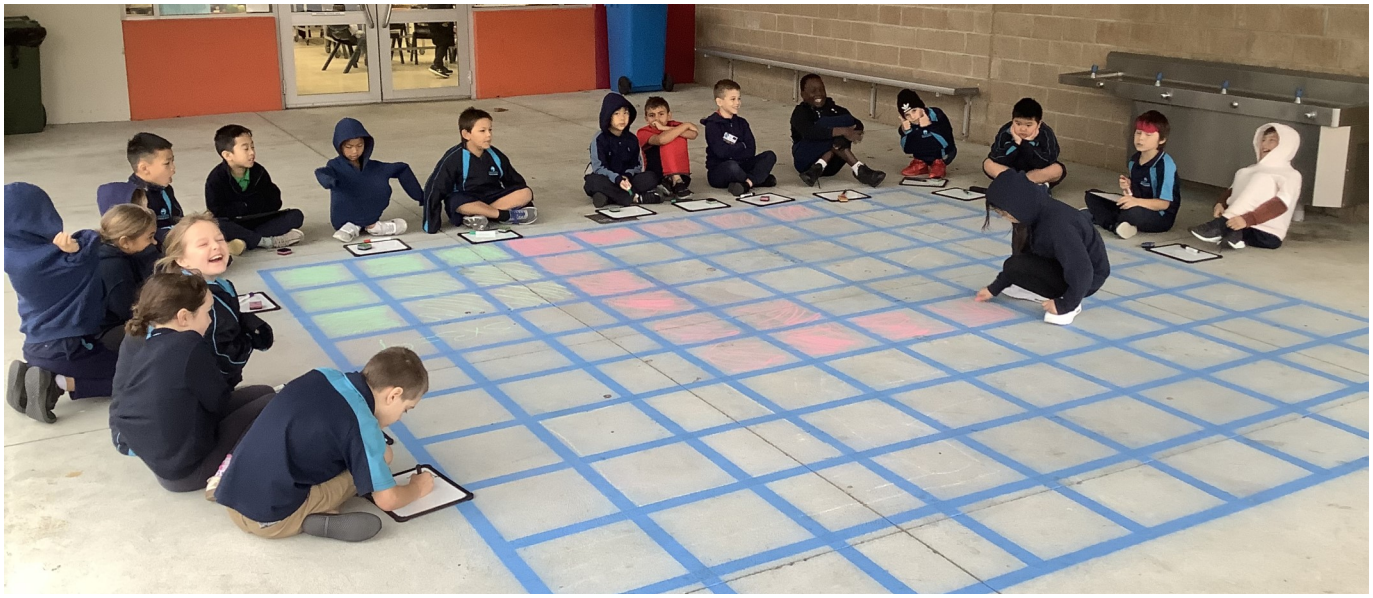
Art

We have had an exciting week in the Art Room as we begin to work with our Artist In Residence, Paul Deej. Paul has told us about his life as an artist, shown us his work and given us some drawing tips. We have been working on designs for our Roseworth school murals.

W1

In W1 we have been learning about how to use different strategies for multiplication.

We have been using the line markings around our school to show how we can use arrays to solve multiplication problems. Here are some photos of us creating and solving our own questions.



E4

Over the last few weeks we have been learning about the differences between the past and present. We learnt that in the past Aboriginal people sheltered in Mia Mias. We made models of some of them using dough (mud), sticks, rocks and paper bark. Can you spot some of the native Australian animals hiding inside?

LIBRARY

There will be no borrowing from the Library in Weeks 10 and 11. Students should return books on their normal library day in Week 10, with reminder notes for any overdues going home later in the week. - Ms Brooker

Check out our READ THE RAINBOW display in the Library. Students who read a book with a cover that matches one of our colours can tell Ms Brooker and it will be added to the RAINBOW. Let's read more and fill the wall!

Spanish

W1 participating in their Spanish lesson with Adam running a language game for the class!

¡Hola! ¿Qué tal?

Did you know?

Spain, the country of fiestas and festivals! Every village, no matter how small, has its own unique celebrations. These are some of the most popular ones:

Carnival

A celebration before the Lent period of fasting. People wear costumes and masks during public street parties.

Las Fallas

Celebration of the start of Spring with parades of paper mache floats. They will be set on fire on the last day.

Feria De Abril

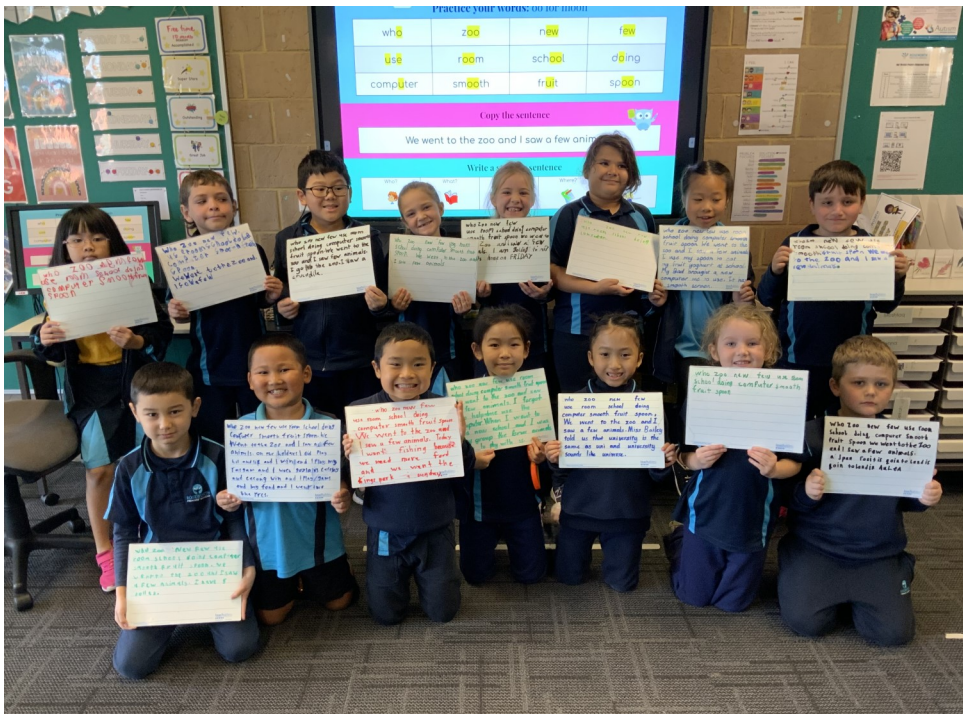
It began in 1847 as a cattle trading Fair. Now is a celebration of flamenco dancing and horse riding.

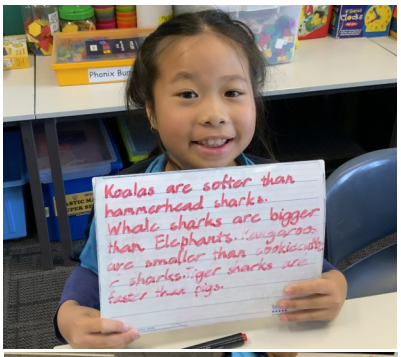
La Tomatina

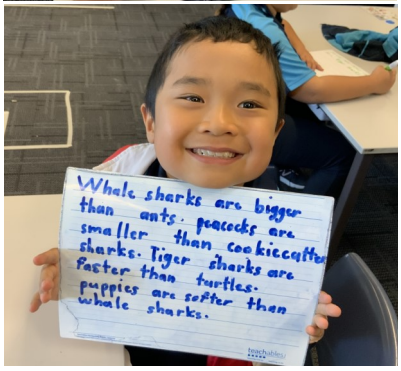
A tomato festival where participants are not only allowed, but encouraged to hurl tomatoes at one another.

E3

E3 have been working incredibly hard on improving their writing and letter formation. The kids should be really proud of all the work they have put into their morning spelling words and practicing their sentences each week.







W4

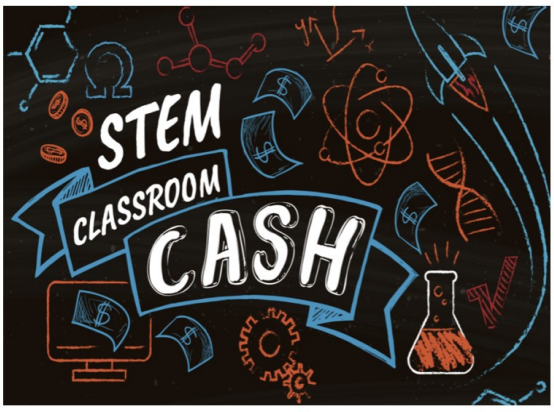
In W4 this term we have been exploring light and its properties. The students have carried out a number of hands-on investigations to develop their understanding of the topic, but one activity that was a class favourite was *Sneaky Spy!*

Students worked in collaborative pairs to construct a periscope and use it to take a sneaky look around corners.

The periscope construction took about 30 minutes, where students' cutting skills were put to the test as they needed to follow a comprehensive template. Once they had finished cutting and taping the template together, students needed to affix their mirror accurately to allow light to be reflected at the correct angle.

Once the periscopes were ready and everyone was satisfied their equipment was up to the task, students set off around the school grounds to see what they could see around corners!

The students worked incredibly hard on this activity and it has been a real pleasure to see their scientific minds bloom this term!



Please be on the watch for the Classroom Cash entry coupons. They are in *The West Australian* on:

- Saturday, May 29
- Saturday, June 5
- Saturday, June 12
- Saturday, June 19

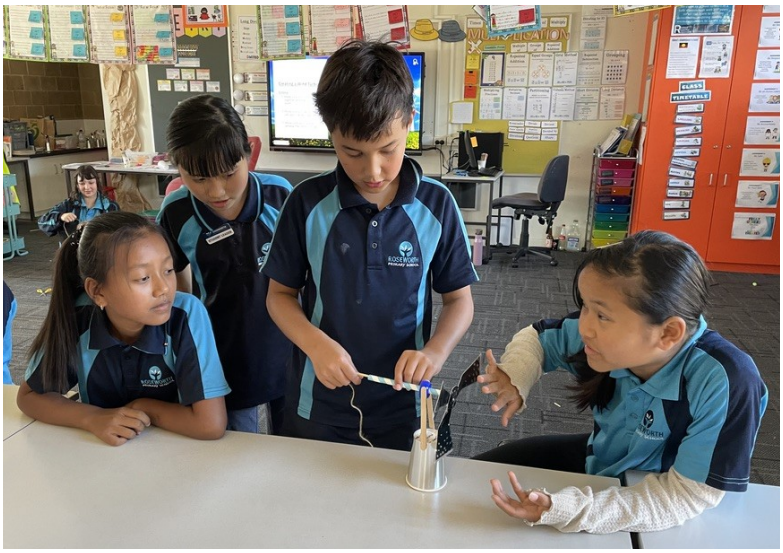
The West Australian

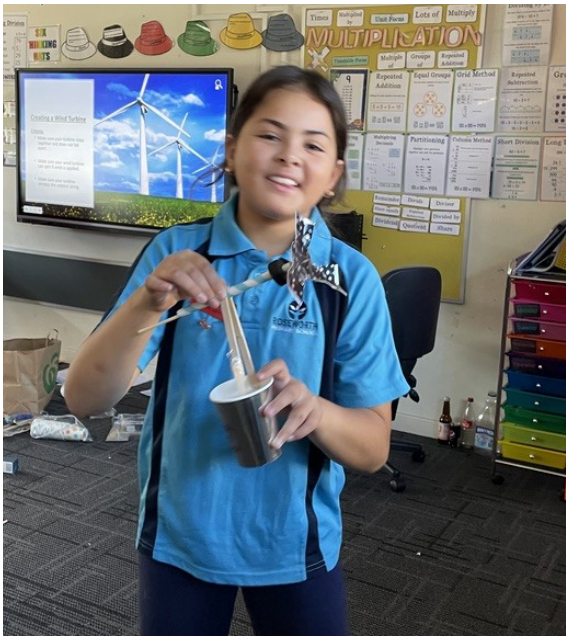
Coupons can be placed in the box at the front office.
Last day for entries is Wednesday, June 23rd.
If you have any questions please see Mrs Anna Keunen.

RESOURCES TECHNOLOGY SHOWCASE
JUNE 21-22, 2021 | PERTH

W6/W7

The students in W6 and W7 have been very busy the past few weeks designing and creating their wind turbines. Our resilience has been tested, where we had to push through the challenges we faced with some elements of our designs. We enjoyed some successes in our groups and have continued to develop our team-work skills. In the coming weeks we are looking at modifying and reflecting on our designs to make improvements.

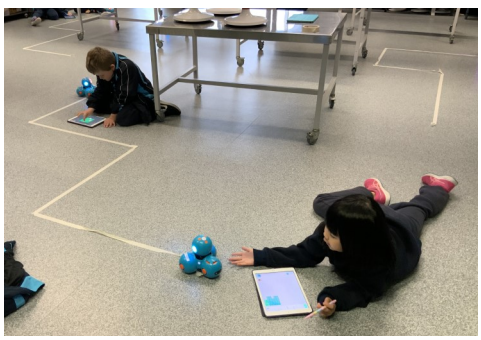


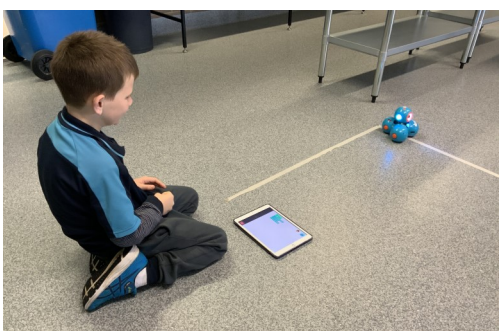


Digital Tech

The Dash robots have been busy in the Digital Technologies room in recent weeks!

Students in E2 and E3 have been using block coding to navigate Dash through different challenges.





E5

This term the children in E5 were amazing detectives. They found evidence of the Emerald Winged Unicorn at Roseworth Primary School and this lead to them write an information report on an animal. In Values, the children explored the importance of showing kindness through drama, which lead to the children performing 'How Full Is Your Bucket?" in front of their families. In Science, the children have explored different sources of light and sound through torch, balloon and coat hanger investigations. Throughout all these explorations the children have worked as a team and helped their friends.

Kindy

We have been reading and learning about traditional stories this term. Our recent story was Goldilocks and the Three Bears. We decided to make porridge and enjoyed eating it, just like Goldilocks. We made sure we only ate our own though!

Roseworth Primary School Playgroup

A free local playgroup welcoming families with children aged 0-4 years old. Playgroups are a great way for your children to interact with other children in a fun and safe environment, while giving you the opportunity to interact with other parents.

Please bring your own piece of fruit and some water for morning tea.

Day: Tuesday & Wednesday (during school terms)
Time: 9am to 11am
Venue: Playgroup Room - Roseworth Primary School
30 Stebbing Way, Girrawheen
Contact: Child and Parent Centre Roseworth,
Telephone 9342 6363

During this time please help us to maintain physical distancing wherever possible, practice good hand and respiratory hygiene and stay home if you have cold or flu like symptoms.

Government of Western Australia
Child and Adolescent Health Service

Triple P
Positive Parenting Program

Triple P - Positive Parenting Program®

A FREE program that teaches practical and effective ways to enhance family relationships and manage common child behaviour issues.

Who is this program for?

Parents, carers and/or grandparents of a child aged between 3 and 8 years.

What is involved?

- **Seminar Series** – 90-minute talks on:
  - children's behaviour – the tough part of parenting
  - raising confident children
  - raising emotionally resilient children.
- **Discussion Group** – small, 2-hour groups:
  - misbehaving
  - fighting and aggression
  - bedtime routine
  - hassle-free shopping with children.
- **Group Triple P** – 8-week parenting course.

Program details:

1. Seminar Series - Warwick
Tuesday's 9.30-11.30am 17th, 24th and 31st August

2. Seminar Series - Balcatta
Tuesday's 9.30-11.30am 31st Aug, 7th and 14th Sept

3. Discussion Group (Managing Fighting and Aggression) - Warwick
Wednesday 25th August 9.30-11.30am

How do I book?

Ask your child health nurse or visit **healthywa.wa.gov.au/parentgroups**.

Coronavirus update

To help us all stay healthy, please remember:
- Practise physical distancing.
- Do not attend if you are feeling unwell or need to self-isolate.

If you need to cancel your booking, contact the **Child Health Booking System** on **1300 749 869** (metro only).

Please note:
Unless there is a crèche advertised, only babies under the age of 6 months can attend this group. However, we welcome babies who need breastfeeding during the session. DO NOT bring hot food and drinks for safety reasons.

This document can be made available in alternative formats on request for a person with a disability.

June 2020 CAH-001009_TripleP

FREE EVENT @ GIRRAWHEEN LIBRARY

City of Wanneroo

Practice speaking and listening in English in a friendly group led by volunteers.

The more you practice, the better you get! This is not an English lesson but a fun and friendly conversation group to talk with others about a range of interesting topics. You do not need a ticket, but you can register to get a reminder if you wish. Please note: You should be able to speak some English to join this group.

9.30 AM -11.00 AM EVERY THURSDAY DURING SCHOOL TERM

www.eventbrite.com.au/e/english-conversation-group-girrawheen-library-tickets-113723961430

CONTAINER DEPOSIT SCHEME

Roseworth has registered for Containers for Change, and could raise 10 cents per eligible container. Please take eligible containers to your closest Refund Point. Please use our school's unique ID when returning containers.

CONTAINERS FOR CHANGE

Our Roseworth Scheme ID is C10289016.

KINDYTXT is a great new program, the first of its kind in Australia, which helps families and children learn to read. It is free and very simple.

When you text the word KINDY to 0480 002 040 you are signed up and will receive 3 texts a week with activities and information about early reading skills.

Mrs Tomzcak and I are already signed up and happy to chat and answer any questions. We will also have a display board with more information and ideas to keep things going. Please let us know when you sign up, thanks.

Looking forward to being on the KINDYTXT journey together!

Sarah Foreman, Early Childhood Teacher, Roseworth PS

SIGN UP NOW FOR KINDYTXT

A FREE SMS PROGRAM TO HELP YOUR KINDERGARTEN CHILD LEARN TO READ!

Get 3 text messages a week about fun things to do at home with your child. Using Kindytxt activities with kids helps them learn at kindergarten!

Contact us now! To register, text the word KINDY to 0480 002 040
