Waste Free Lunch

Dear Families,

What a great few weeks we've had with the Faction Carnival, Lunchtime Disco and Book Week Parade to name a few of our recent events.

Faction Carnival

Congratulations to all students on the great sportsmanship displayed last Wednesday and Friday at the Faction Carnival. It was terrific to see families cheering on the students as they tried to do their best. Well done to all factions but in particular a special congratulations to the winning faction, Acacia. Thank you to the staff who helped make the carnival a special event and especially Mr Josh Harris & Ms Sue Brockman for the behind the scenes organisation they did.

Thanks also to the Roseworth P&C for a great job with supplying snacks and refreshments throughout the day, lunches and the sausage sizzle. You are a great team who keep the community fed. The work done by our volunteer parents and our fabulous canteen manager Jane, is really appreciated.

Father's Day Stall

The Father's Day Stall run by the P&C was very successful with many students given an opportunity to provide a gift to the significant male in their life while also raising money for the school.

Book Week Parade

It was terrific to see so many staff and students dress up as their favourite book characters. The creativity and imaginative thinking of parents who made the costumes was outstanding.

STEM Week

The theme for STEM week was flight as we saw the library made into a large aeroplane. Students completed flight investigations and a special incursion on making paper planes was enjoyed by all classes. The week finished with a paper plane competition going long distances.

Transition and enrolments for 2022

Transition Programs from Year 6 to High School and Playgroup to Kindergarten have commenced and are scheduled for Term 3 and 4. Please ensure enrolment forms are complete so we can notify the relevant students on orientation activities.

Visitors on school grounds

If you need to see your child during the school day, please go through the front office. With COVID and general security, we need to know what adults are on the school grounds during 9.30am to 2.30pm. Please drop lunches to the office rather than going directly to the classrooms.

Louise Nielsen
PRINCIPAL

Faction Carnival 2021

The Faction Carnival was held in Week 7 this term. Going into the carnival students had been earning points for coming to sport sessions prepared in their faction colours, with a hat and water bottle. Our Jumps, Throws and Long Distance events all took place on Wednesday, dodging the downpours. Despite being completely saturated, our competitors still showed up ready to go. We got to witness some amazing feats of athleticism, as well as some incredible sportsmanship. Most of the long distance races came right down to the wire, with some awesome sprint finishes, a few spills and plenty of dodging around the puddles. Special thanks to the teachers, EA's and interns who helped out, braving the rain to get the carnival started.

As Friday rolled around it looked like our prayers had been answered; the sun was beaming down and the stage was set for an awesome day of competition. Faction spirit was high as the students started arriving, dressed head-to-toe in their faction colours. There was plenty of face paint and colourful hair, even some of the parent spectators came dressed to impressed in their faction best.

The day got off to a great start with the sprints, everyone giving it their very best. Right after that we were straight into the tabloid team games with some hotly contested races. After a brief break we were back for our traditional team games; a winner takes all competition with plenty of pressure. The students stood up to the challenge and performed excellently during these events! Our Pre-Primary and Kindy students then got to strut their stuff in front of the vast crowd of onlookers. They showcased some incredible skills during their obstacle course, then dazzled us with their egg-and-spoon race, competing at such a blistering pace.

After our lunch break the students were back in their bays, reinvigorated and about twice as loud as before. Only the relays were left. There were barely 10 points separating the factions at this stage. This was going down to the wire. The relays began and the faction bays spurred on their competitors, hurling chants, clapping and cheering for all they were worth. Great relays were run. It was going to be so close! The grand relays inspired some of the loudest cheers of the day, from student, teacher and parent alike.

With sore legs, ringing ears and hoarse voices we filed over to hear the results. A hush settled in as Mrs Nielsen read out our final scores: Wisteria in third place, on 764 points, Banksia in second place on 768 points and Acacia first on 786 points! Acacia has clutched victory for the first time since 2011! A huge effort from everyone involved. Well done Acacia!

CHAMPIONSHIP GIRLS/BOYS TABLE

| | Senior Boys | Senior Girls | Inter Boys | Inter Girls | Junior Boys | Junior Girls |
|------------------|-------------|--------------|------------|-------------|-------------|--------------|
| 1st Place | Hemi O | Morroa A | Makou T | Olivia F | Daniel N | An N |
| Runner Up | Lloyd G | Alicia H | Braxton H | Tina F | Brett R | Kadijatu K |

A huge thank you goes out to the P&C for providing food through the day. Thank you to the teachers and staff for coming down early to set up and help run the events smoothly during the day. Thank you to the parents, guardians and spectators for coming out to cheer the kids on. Lastly, a big thank you to the students for giving it their all through the day, it was truly special.

Josh Harris - PE Teacher

Book Week Parade

What an awesome Book Week Parade we had back in Week 6! We learned some interesting facts about Shaun Tan and everyone's costumes were sensational! Congratulations to all of our winners and thank you to everyone for their contributions, particularly to the Year 2 to 4 extension students for sharing their knowledge of Shaun Tan with us. Your support is greatly appreciated. This is what makes events like these so special.

E3

The students in E3 loved getting dressed up for Book Week. We've been learning about narratives this term and it was great to see them come to life. We even took on Mrs Lee's Shaun Tan challenge and together we solved the puzzle. There was some great team work and discussion in the classroom. Thank you Mrs Lee for the book prizes. The kids love reading Captain Underpants.

Digital Technologies

During STEM Week all classes completed flight themed activities in Digital Technologies. Junior primary students created flying animations using the action function in Keynote. Middle Primary were able to make their flying animations appear and disappear using the build in and build out functions. Upper primary created accessibly video tutorials on how to fold a paper plane. They explored using time lapse, voice over and creating closed captions. Each class also self-reflected on how they went on their task using a smiley face scale and recording audio descriptions of their highlights and areas for improvement. Scan the QR code to see some examples.

We have begun having First Lego League (FLL) competition meetings on Tuesday lunchtimes for Year 5/6 students. A team of ten students will be selected to represent the school at the end of November in a fun competition involving building a robot and coding it to complete challenges and developing and presenting an innovation project solving a problem around this year's theme *Cargo Connect*.

Mrs Critchley

In our Music lessons, we have started playing the ukulele!

FUN FACT: The ukulele originated in Portugal way back in the second century B.C.

Art

Artist Paul Deej has brightened up our Kindy and Pre Primary playground area with this beautiful tree mural representing the students and factions of Roseworth.

W1

In W1 we have started our new Mathematics topic - 3D shapes. We have been looking for different shapes around the school and building our own 3-dimensional shapes in class. We love all of the new words we are learning too, like faces, edges, vertices and apex.

E5 & W4 Buddy Class

The children in E5 and W4 took advantage of the beautiful weather last Tuesday and buddied up to do some weeding. We are getting the area prepared for our Noongar Six Seasons Garden and Outdoor Learning Space. It was lovely to see everyone getting along and helping one another.

We also learned some things about weeds:

- They take all the nutrients that the plants need, from the soil.
- Some are hard to get out!
- It's hard work but it's FUN!

HONOUR CERTIFICATES & AWARDS

ASSEMBLY: 18th August 2021

| | | | |
|-----------|--------------------------|-----------|---------------------|
| E2 | Lilly S, Noah M | W2 | Mamudou B, Leah J |
| E3 | Anna N, Harper G | W3 | Marlee H, Thawng T |
| E4 | Monique N-M, Raqiatu B | W4 | Louis T, Dania ED |
| E5 | Tyler K, Sylvia E | W6 | Jamie D, Cristina T |
| W1 | Nikeisha-Rose S, Brian H | W7 | Kitana S, Jorgia B |

VALUES AWARDS: Confidence: Kayden W6 Getting Along: Sylvia E5

Resilience: Ahmed E5 Persistence: Kate E2 Organisation: Laythan W3

ATTENDANCE AWARDS: Bawi W6, River E3, Darlin W7, Diana E3 Benji W4

Kindy

In Kindy we have been learning about our community and people's jobs within it. We had fun pretending to be Roseworth Pizza! We went around to the teachers and took their pizza orders, focussing on speaking clearly and recording information. The next day we followed a procedure to make their orders and delivered the pizzas to the teachers for lunch. It was so much fun being a pizza delivery person!

Cluedunnit

Congratulations again to our Year 6 Cluedunnit students. They recently received their certificates

acknowledging a fantastic effort for their super sleuthing and video they created in Semester 1. Well done students! - Mrs Lee

E2

The Year 2 students in E2 have been having fun learning how to compare the mass of objects. We have also learnt that we can use kilograms and grams to weigh items.

LIBRARY

Check out our READ THE RAINBOW display in the Library. Students who read a book with a cover that matches one of our colours can tell Ms Brooker and it will be added to the RAINBOW. Purple is currently the most popular! Let's read more and fill the wall!

Family
STEM
Challenge

Build a raft using 3 different materials.
Find a way to move the raft over the water.

Show us your creations on Seesaw, don't forget to explain why.

W4

As you walk through the school you would have noticed more playground markings have been popping up; 10 x 10 grids, 100m Line, arrows and xs. W4 has been using these to enhance lessons in all learning areas and taking advantage of the sunshine. Here are a few photos of us engaging with Maths outside.

What do you think this is? W4 explored all sorts of animals, plants and creatures under microscopes this week. We looked for camouflage characteristics, life cycles, and adaptations that animals go through to understand the world around us.

Government of Western Australia
Child and Adolescent Health Service

Triple P - Positive Parenting Program®

A FREE program that teaches practical and effective ways to enhance family relationships and manage common child behaviour issues.

Who is this program for?

Parents, carers and/or grandparents of a child aged between 3 and 8 years.

What is involved?

• Seminar Series – 90-minute talks on:

- children's behaviour
 - the tough part of parenting
 - raising confident children
 - raising emotionally resilient children.

• Discussion Group – small, 2-hour groups:

- misbehaving
- fighting and aggression
- bedtime routine
- hassle-free shopping with children.

• Group Triple P – 8-week parenting course.

Program details:

1. Group Triple P (7 weeks) - Warwick
Monday's commencing 18th October 2021 9.30am-11.30am
2. Seminar Series - Joondalup
Tuesday's 9th, 16th and 23rd November 2021 9.30am-11.30am
3. Discussion Group (Dealing with Disobedience) - Craigie
Wednesday 3rd November 2021 9.30am-11.30am

How do I book?

Ask your child health nurse or visit healthywa.wa.gov.au/parentgroups.

Coronavirus update

To help us all stay healthy, please remember:

- Practise physical distancing.
- Do not attend if you are feeling unwell or need to self-isolate.

If you need to cancel your booking, contact the Child Health Booking System on 1300 749 869 (metro only).

Please note:

Unless there is a crèche advertised, only babies under the age of 6 months can attend this group. However, we welcome babies who need breastfeeding during the session. DO NOT bring hot food and drinks for safety reasons.

This document can be made available in alternative formats on request for a person with a disability.

Circle of Security Parenting Program

Circle of security is an eight-session program for parents with young children. The program is based on decades of research on how to strengthen parent-child relationship. The COS-P model can help parents and caregivers:

- Understand their child's emotional world by learning to read emotional cues and needs.
- Support their child's ability to successfully manage emotions
- Help enhance the development of their child's self esteem
- Learn to understand parental influences by identifying parenting strengths and struggles within busy lives.

"This Program has been amazing for me, before this program I never knew what made me feel uncomfortable. There are no words to describe how thankful I am.

Circle of Security Program

Dates: THURSDAY'S 21, 28 Oct, 4, 11, 18, 25 Nov, 2, 9 Dec 2021
(It is important that participants commit to completing all 8 sessions).

Time: 9.30am – 11.30am

Venue: Child and Parent Centre Roseworth
1 Stoke Ct, Girawheen 6064.

Creche: Bookings are required as places are limited.

Waste Free Lunch **Tuesday of Week 2 & 9 each term.**

- Use a lunchbox
- Use a beeswax wrap
- Avoid packaged foods
- Compost food scraps

Try and be waste free everyday!

Passport Program 2021

The Passport Program at Roseworth Primary School is designed to reward parents and caregivers for their contributions to school activities throughout the school year. For each activity that is attended, points are accumulated.

Points can be redeemed to pay for:

- **Excursions and Incursions**
- **Uniforms** (available from the school Uniform Shop)
- **School Fees**
- **Canteen purchases**

What do I have to do?

- Complete a 2021 Passport application form and a Working With Children declaration in the front office as soon as possible. Your new 2021 Passport will be issued within 2 school days.
- Once you have your Passport and have completed one of the listed activities, request a green slip from the teacher or nominated person. Drop your green slip into the front office.

When you wish to exchange your points for Roseworth Dollars, please see Mrs Evans at the front office. This will be processed and you can check your Passport points on a Friday morning at the office.

If you are new to the Passport Program or would like more information, please feel free to drop into the front office to find out more about this wonderful initiative. The Passport Program is managed by Sue Brockman (Deputy Principal) in conjunction with Tracey Evans, our MCS.

Thank you for your contributions to our great school.

Enrolments for Kindergarten are now open!

If your child is born between 1 July 2017 and 30 June 2018 then Roseworth Primary School would like to invite you to come and see us to enrol your child for Kindy 2022.

*Application forms can be obtained online at Roseworthps.wa.edu.au
OR in person at Roseworth Primary School*
