Dear Families,

### **Year 6 Fundraiser Disco**

The Year 6 students organised a great Winter Wonderland disco and free dress in order to raise money for their camp and graduation activities. Thank you for the fantastic response as many children dressed up, danced and had a great time.

### **Silver Coin Challenge**

Students are encouraged to bring along their silver coins as part of the P&C fundraising event this term. The class that raises the most will be having a class pizza party.

### **NAIDOC**

NAIDOC stands for National Aborigines and Islanders Day Observance Committee. Our NAIDOC celebrations will be occurring Wednesday 29th June - Week 10. At Roseworth we will be looking at the Noongar Six Seasons. The day will start with a NAIDOC themed assembly by W6 & 7 at 9.00am and continue all day with many different cultural activities. Parents are most welcome to come along and join in, including a community cultural lunch of kangaroo sausages and lemon myrtle cakes at 12.45pm. All are welcome.

### **Reports**

Our classes have been working very hard this semester and the teachers are excited about sharing the progress of your child. This will be through school reports that will be handed out in Week 10, on Thursday 30 June. As you are aware, COVID-19 has presented us with challenges in managing both student and staff attendance. I am pleased that together, we have been able to make the best of this situation and ensure your child's continued learning.

As we navigate through these challenges, we will need to do some things differently to ensure our focus remains on your child's daily

learning program. For this reason, Semester 1 reporting will look a bit different.

Our school will not be reporting on Health, Technologies and Humanities and Social Sciences this semester due to COVID 19 interruptions to learning. You also may notice a change in grades if the opportunity for your child to demonstrate their learning was impacted by absences. Should you wish for additional information on your child's progress, you will have the opportunity to discuss at requested parent/teacher interviews as per usual. I encourage you to look at the comments and suggestions each teacher has made and discuss with your child their learning goals for next term.

### **RAPP**

We had seven families participate in the 2022 Roseworth and Parents Program. It was lovely to spend some time to get to know the children and their parents a bit better, especially over dinner. Thank you to Miss Brockman and the wonderful staff volunteers who attended and made RAPP possible. Thank you to the Child and Parent Centre staff, Helen and Hayley, who ran the parent sessions.

### **Term 3 Events**

Next term we will be busy again with in-term swimming occurring during Weeks 3 & 4. The school photographs that were postponed due to COVID from Term 1 have been rescheduled to Week 6. We will also be having the Faction and Interschool Athletics Carnivals and the rescheduled Year 6 camp during Term 3. Lots to look forward to.

### **Covid Popup Clinic**

The Health Department will be running another COVID vaccination clinic at the CPC on Thursday 28th July from 1.30pm open for adults and children.

**Louise Nielsen,  
PRINCIPAL**

# Cluedunnit Kids

Curtin University

The Law Society  
OF WESTERN AUSTRALIA  
The voice of the legal profession in Western Australia

Our Year 5/6 extension students have been working hard on their Cluedunnit Project where their task was to solve a fictional criminal offence with the goal of identifying the prime suspect. Using their higher order thinking skills to make inferences about the suspects, and asking the Law Society very clear and specific open-ended questions, the students believe they have figured out who the prime suspect

is. They have been working tirelessly to create a video clip that not only presents all of their evidence but is also very entertaining. You can view their video clip at: <https://youtu.be/KVedxy7S7YY>

We have been identified in the top 10 schools (out of 24) for Cluedunnit again this year and will be judged on 24<sup>th</sup> June. We should know by the end of the term the final outcome.

Fantastic work everyone.

## Premier's Reading Challenge

Please don't forget to register online for the Premier's Reading Challenge. All students are challenged to read 12 books (or more!) by the 9th September 2022. Weekly prizes are awarded, and all students go into a Major Prize Draw. If you are unable to register online, please bring your reading record to your teacher or straight to Roseworth's Reading Champion, Ms Brooker, in the Library. A blank reading record is at the back of this newsletter, or blank forms are available in the Library. Good luck everyone!

Department of Education  
GOVERNMENT OF WESTERN AUSTRALIA

Reading can take you  
*anywhere*

Register for the  
Premier's Reading Challenge  
to start your magical journey.

Premier's  
Reading  
Challenge

GOVERNMENT OF  
WESTERN AUSTRALIA

### Join the adventure!

We encourage you to join us in unlocking the wonderful world of reading for your children. Help them to join the Premier's Reading Challenge. Will they fly above the clouds, dive into the ocean or jump into a rocket ship? All students from Kindergarten to Year 10 are challenged to read 12 books by 9 September 2022.

You can help your children sign up via the website, choose their own avatar and log all the books they read over the course of the Challenge. Weekly prizes will be awarded to students who log a book that week, with major prizes drawn when the challenge ends.

Books don't have to be in English – children are encouraged to read books in their first language.

There are extraordinary tourism prizes to be won each week.

[Sign up](https://www.premiersreadingchallenge.wa.edu.au) your children on the website (<https://www.premiersreadingchallenge.wa.edu.au>) to begin their magical journey. Use the enclosed Reading Record if you cannot access an online account (bring it to the office by the end of August for it to be registered).

Premier's  
Reading  
Challenge

Late in May, we were lucky enough to have the Perth City Ballet, in conjunction with "Act, Belong Commit", come and perform their "Dance Proms"

The students and staff were treated to an hour long performance that included mimes, skeleton dances, acrobatics, contemporary or modern dance, the Can-Can from Paris and also the dying swan from "Swan Lake".

Year Six, Mr Harris and Mr Spring were even asked to come up on stage, and were shown some hip hop moves by the dancers. They then performed them for the rest of the school.

We then went into freestyling and the children did some great moves and grooves, and we were all very excited to see Mr Harris do "the worm" followed by both teachers showing us "the wheelbarrow"! Such hidden talents!

The students particularly enjoyed the hip hop, mimes and also the traditional ballet dancing aspect, including the costumes, which were beautiful. When reflecting on the experience in Music Class, the children were keen to try nearly all the dances they had seen.

The performers were delighted at how engaged and well behaved all the children at Roseworth Primary School were.

Let's hope they can come again next year!

# Art

In Art this term, we have been getting ready for our NAIDOC Day displays. We have been learning about the weather, plants and animals in the Noongar Six Seasons.

Kaya Moortang,

We have entered the season of Mookaroo. Changing from the heat to the cold with families moving from the coast to the hills for protection from the weather. It's nyidiny (cold!).

Ms Foley

# W1

The children have been learning about body clues, feelings and regulation strategies in values. Through drama, the children have acted out scenarios and set up a W1 help desk to advise regulation strategies. It was great to see the students' flair, creativity and teamwork ignite through drama.

## June FAMILY STEM CHALLENGE

Build a fort out of  
blankets and chairs.  
Video a tour of your  
fort.

Add your photos and videos to the Seesaw activity.

## JULY FAMILY STEM CHALLENGE

Create a family game,  
teach your family to  
play it. Take a photo of  
your game and your  
family playing it.

Add your photos and videos to the Seesaw activity.

# E2

The students in E2 have been enjoying learning about money. We had fun identifying, comparing, ordering and counting Australian notes and coins. After we finished learning about Australian money, we investigated some differences in money from different countries.

# PP2

We are currently talking about our planet, Earth. We looked at an interactive globe and talked about the oceans, the ice and the lands. We then discussed what lives there, in all those different places. Next, we looked at

where we live in Australia. We also watched a video book called 'Here We Are' by Oliver Jeffers and to end it all, we are making our own collage of the Earth.

# W2

W2 has had an awesome Term 2. We have been busy reading about Goblin Grannies and learning about all about poetry. In Maths we have been learning about coordinates, mapping and shapes and we have taken advantage of the sunnier days learning outside. We are looking forward to an exciting end of the term, full of new learning adventures.

# E4

In History we have been learning about and comparing the past and the present. We made models with salt clay of items from schools. We learnt about how children used ink pots and quills to write in the past, and we use iPads for lots of our learning now! We investigated transport and noticed that bikes look a lot different today to how they did many years ago! Phones were very funny looking in the olden days, they didn't even have buttons and screens, and needed wires to work. We made paper cup phones to test the vibrations used to send messages along wires. We made a

timeline of mobile phones, and even wrote our own names in Morse Code which was used over a hundred years ago!

# W6 / W7

Throughout Term 2, W6 and W7 have been designing and constructing kites. We have researched the history and types of kites during our design process and we are extremely excited for our test flight next week!

# SWIMMING LESSONS

**Reminder that Swimming Lessons are coming soon!**

Lessons are planned for Term 3, in Weeks 3 and 4, from the 1st to the 12th August. Don't forget to put a bit of money aside now, as payment for the lessons will be required in full BEFORE the first session.

Notes will go home at the beginning of Term 3.

## Waste Free Lunch Tuesday of Week 2 & 9 each term.

- Use a lunchbox
- Use a beeswax wrap
- Avoid packaged foods
- Compost food scraps

**Try and be waste free everyday!**

## Silver Coin Challenge

Dear families it is that time of year again where our P&C are running this fundraiser. It had already begun, and will run until Friday 1st July, the last day of Term. Please send in any loose change you have lying around the house. The class that raises the most money will receive a class party.

*Capturing the SPIRIT of your school*

# Kids' Pop-Up COVID-19 vaccination clinic

Child and Parent Centre - Roseworth

1 Stoke Ct, Girrawheen, 6064

Thurs 28 July, 2022  
1:30pm - 4:00pm

Ages 5+ eligible

The child's parent/guardian must also attend to provide consent for the COVID-19 vaccination.

Get your free COVID-19 vaccine dose or Booster (16 years+) to ensure you have the best protection against COVID-19, including the current Omicron strain. Child and adult COVID-19 vaccines are available. Everyone aged 5+ years can receive a free COVID-19 vaccine. Medicare cards are not needed.

Walk-in clinic.

We acknowledge the traditional owners of the land and pay our respects to their Elders, past, present and emerging.

Government of Western Australia  
Department of Health

## Roll up for WA

COVID-19 Vaccination

Shaping the future

## School enrolments are now open for 2023

If your child is starting Kindergarten, Pre-primary, Year 7 or changing schools you will need to apply to enrol by 22 July 2022.

Find out more:  
[education.wa.edu.au/enrolments](http://education.wa.edu.au/enrolments)

If your child is born **between 1 July 2018 and 30 June 2019** then Roseworth Primary School would like to invite you to come and see us to enrol your child for **Kindergarten 2023**. Application forms can be obtained online at [Roseworthps.wa.edu.au](http://Roseworthps.wa.edu.au) OR in person at Roseworth Primary School

## School Holiday Activities July 2022

### Scitech (4 to 8 years)

Science can happen in all sorts of places: from the kitchen to the bathroom and even the Child and Parent Centre. Join Scitech see science in action.

Date: Monday, 4 July 2022  
Time: 10.00am-11.15am  
Venue: Child & Parent Centre Roseworth

### Art and Play Session (4 to 8 years)

Children will build their creativity, self-esteem and learn the skills to confidently deal with mistakes and challenges through making artwork with clay. Learn about the emotions that live in our brain.

Date: Thursday, 7 July 2021  
Time: 10.00am-11.15am  
Venue: Child & Parent Centre Roseworth

### Sensory Fun (1 to 4 years)

Come along and have fun playing lots of exciting sensory activities.

Date: Tuesday, 12 July 2022  
Time: 10.00am-11.15am  
Venue: Child & Parent Centre Roseworth

Please call the Child and Parent Centre Roseworth on 9342 6363 or email [cpcroseworth@thesmithfamily.com.au](mailto:cpcroseworth@thesmithfamily.com.au) to reserve your place.

# Want to return to work or change careers?

## Want to work in a school?

There has never been a better time with unemployment under 3%.

### Schools and other organisations are desperately hiring people for the following roles:

Gardener, cleaner, administration, management, canteen, education assistants and many other roles.

Starting in July 2022, North Metropolitan TAFE are running a one-semester course on the skills required to be a successful candidate for employment in a school or elsewhere. The course aids in preparation for entry into gardening, cleaning, administration, management, education assistant and any other types of work.

We have had huge success supporting people to find work and the chances of gaining employment are strong. This course is suitable for people new to the workforce and people looking to change career or looking for a return to work.

#### The course includes:

Training in skills specific to the role you are interested in e.g. IT skills  
Work experience in a school or other organisation  
Help and support to find work  
Help accessing further training as required e.g. Certificate III in Education Support  
Development of your job application cover letter, resume and help with selection criteria

#### Entry requirements:

18+  
Strong work ethic  
Good oral and written communication  
Must be able to read procedures, safety sheets and chemical bottles  
Must be able to send and receive emails  
Successful completion of an entry interview  
Working With Children Check and a Department of Education Clearance

#### Course details:

- Dates - Starts week 1 of term 3 and runs for up to 20 weeks
- Many students finish the course early because they find work
- Days - 3 days per week, Wednesday, Thursday, Friday 9:15 until 2:45
- Cost - Approximately \$170 (subject to change) total course fee for full 20 weeks
- Location - North Metro TAFE Leederville and on work experience Qualification - GATE (Gaining Access to Training and Employment) Certificate I

If you would be interested in this course then please email:

Chris Hodson [chris.hodson@nmtafe.wa.edu.au](mailto:chris.hodson@nmtafe.wa.edu.au)

Disclaimer: North Metropolitan TAFE does not guarantee work after completing this course. This course supports you to find work. The course is run by North Metropolitan TAFE (RTO code: 52786) and is not endorsed by any authority or government department other than North Metropolitan TAFE.

## A Note From The School Health Nurse (Primary school)

Welcome to the new school year. My name is **Caroline Turich** and I am the School Health Nurse who visits your school.

School Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program. Additionally, the nurse can be contacted at any time throughout primary school if you have concerns about your child's health, development or wellbeing.

School Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. They also work in partnership with schools to support teachers in health related curriculum and can assist in the development of health care plans for students with complex and chronic health needs.

The services provided are free and confidential.

My work days are Mon, Tues, Wed, Thurs.

Please contact me on Ph: 0429 069 576  
Email: [caroline.turich@health.wa.gov.au](mailto:caroline.turich@health.wa.gov.au)

#### School Entry Health Assessment

All children in Western Australia are eligible for a School Entry Health Assessment when they are of school entry age. The School Entry Health Assessment is provided by the local School Health Nurse. It is an excellent opportunity to look at the health and development of your child at the beginning of school life.

The assessments are simple, non-invasive, quick and easy. They screen for problems which are best addressed, if picked up and treated early. The assessments include:

Vision - Hearing - Teeth - Growth (including weight, height and Body Mass Index).

Your child's results will be sent home after their health check has been completed. Results are always treated confidentially.

Please note, if the assessment results for your child suggest there may be a concern, the School Health Nurse will contact you to discuss.

**School Entry Health Assessment forms are currently being distributed for parents to complete. Please complete and sign the back page of the form before you return it.**

**Please return the form to the class teacher as soon as possible.**

Kindy assessments start in Feb and will continue until December.

I look forward to working with you and your family. If you have a concerns about your child's health, development or wellbeing please contact me on Ph: 0429 069 576 Email: [caroline.turich@health.wa.gov.au](mailto:caroline.turich@health.wa.gov.au)

**My work days are Mon, Tues, Wed, Thurs.**
