THURSDAY 15th
LAST DAY TERM 4

Dear Families,

What a great few weeks we've had with the Faction Carnival, STEM10 and Book Week Parade to name a few of our recent events.

Faction Carnival

Congratulations to all students on the great sportsmanship displayed last Wednesday and Friday at the Faction Carnival. It was terrific to see families cheering on the students as they tried to do their best. Well done to all factions but in particular a special congratulations to the winning faction, Acacia. Thank you to the staff who helped make the carnival a special event and especially Mr Josh Harris for the behind the scenes organisation.

Thanks also to the Roseworth P&C for a great job with supplying snacks and refreshments throughout the day, lunches and the sausage sizzle. You are a great team who keep the community fed. The work done by our volunteer parents and our fabulous canteen manager Jane, is really appreciated.

Fathers' Day Stall

The Father's Day Stall and raffles run by the P&C were very successful, with many students given an opportunity to provide a gift to the significant male in their life while also raising money for the school.

Book Week Parade

It was terrific to see so many students and staff dress up as their favourite

book character with the theme of "Dreaming" this year. The creativity and imaginative thinking of parents who helped make the costumes was outstanding. Thanks also to the Aboriginal Girls' Group who presented an adaptation of a Dreamtime story with the help of Mrs Foley. Thanks to Mrs Lee and MC Lounis from Year 3 who were both MC throughout the parade.

STEM Week

The theme for STEM 10 in 2022 was Glass. This included an incursion about indigenous science, dreamtime stories and bush tools. The students enjoyed completing a variety of investigations about glass.

COWS

Some of our students in Year 6 have been working on a Community Action Project for school as part of the 2022 City of Wanneroo School Leadership Program. The presentation was Wednesday 7/9/22. The students spoke well and did Roseworth proud. Well done!

Transition and enrolments for 2023

Transition Programs from Year 6 to High School and Playgroup to Kindergarten have commenced. Please ensure enrolment forms are complete so we can notify the relevant students on orientation activities.

Louise Nielsen

Principal

Please take note of our school's messaging service number, 0437 784 935. We do send notifications regularly. Please update the front office if your mobile number has changed.

Faction Carnival

Our Faction Athletics Carnival was held in Week 7. We began with Jumps, Throws and Long Distance events on the Wednesday, with some outstanding performances from some individual students. There was an incredible atmosphere during our Long Distance running events, the whole school was out cheering on their Factions. After Wednesday Banksia and Acacia were neck and neck, barely 5 points separating them. Wisteria was not far behind, and with big points still on offer for Team Games and Relays, it was anyone's game. The stage was set for Friday.

On Friday, as everyone met before our parade, there was a real buzz of excitement. As well as some incredible commitment to the faction colours. The day kicked off with some impressive cheering and marching, led by our Faction Captains and Year 6's, who really stepped up for the day. Sprints were the first events, with every student racing in their year level. Pre-Primary and Kindy students then came out to have their events; sprints and an obstacle course. Wow, we have some incredible talent coming through in the next few years!

Our next events were Team Games, with plenty of points on offer here it was make or break for our Factions. With some great team performances, Wisteria had begun to close the gap and were right behind Acacia and Banksia after these events. The competition would come down to the wire, with relays being the only events left. Our cheer squads were even more exuberant during these events, spurring their fellow students on to even greater speeds. With the relays run and our competitors absolutely zapped, we waited for the final result...

Acacia: 1st place, Banksia: 2nd place and Wisteria: 3rd place.

Friday was an awesome day. A huge thank you goes out to all our teachers and staff who came out early to set everything up, as well as the numerous jobs they did on the day. Thanks to the P&C for providing food throughout the day. Thank you to all our parents and spectators who came to watch. Finally, thanks to our students who gave their all for their factions and were on their best behaviour for the day. It was incredible.

Mr Harris - PE Teacher

2022 Champions

	<i>Champion</i>	<i>Runner-Up Champion</i>
Year 1 Boys	Kove M	Hudson N
Year 1 Girls	Elyse Z	Gina T
Year 2 Boys	Ahmed B	Ariki T

Year 4 Girls	Rufta T / Tina F	Leah J
Year 5 Boys	Elijah G	Bai M
Year 5 Girls	Olivia F	Amy H
Year 6 Boys	Simon C	Aiden At / Jackson T
Year 6 Girls	Ella S	Cristina T

Book Week Parade

Well done everyone!
We hope you had fun.
Was great to see your favourite characters!

E2

In E2, we have been enjoying learning how to name, identify, draw and create 3D objects. We have learnt that 3D objects have three dimensions; length, height and width. They also have faces, edges and vertices.

E3

E3 have been working hard on creating their diorama habitats for an Australian animal of their choice, including yongka (kangaroo), wetj (emu), nyingarn (echidna), yoon (lizard), koomal (possum), dwert-mokiny and noorn (snake).

W6

This term W6 have been lucky enough to be a part of the Chance to Dance Program, run by the West Australian Ballet Company.

This 10-week program, has allowed the students to engage with an area of the arts they might not have experienced before, learning some basic ballet positions and a short dance routine that they will perform to their buddy class very soon. Their teaching artists, Bri and Tom, were very impressed by W6's performance over the 10 sessions and loved seeing the students work so well together.

We have been excited to see our clay creations coming out of the kiln in lots of bright colours!

Kaya Moortang,

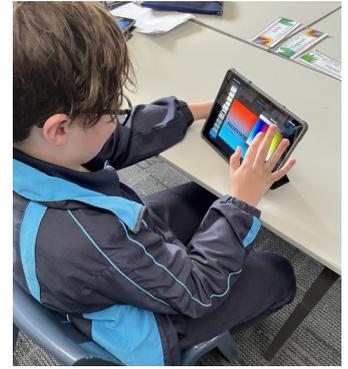

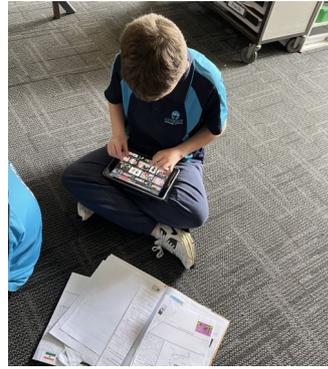

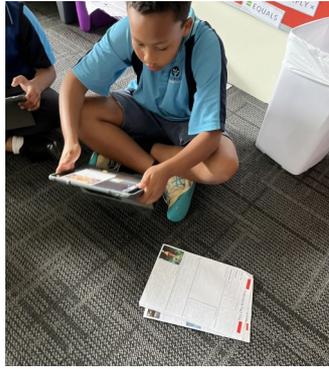

For Book Week our Aboriginal Girls' Group presented a short play of the Dreaming Story Yongka wer Waitch. It's a story about how the Kangaroo's coats are found today in 3 colours - brown, white and grey.

Boorda! (Goodbye) - Ms Foley

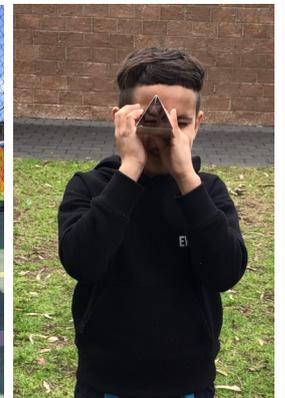

W4

In Digital Technology we have been learning new skills to create a presentation on Keynote about a country in Asia. We have learnt how to hyperlink, add background and use animations to make our presentation engaging for the audience. We can't wait to present our research and skills to the class!

W7

W7 had great fun participating in the many different STEM Week activities. Students tried to make rainbows with torches and glass, harness the energy from the sun to race solar cars, use gravity to create marble runs and tape mirrors together to create kaleidoscopes. The classroom was humming as students worked together in teams and listened to each other's ideas. We can't wait to see what learning happens next year.

E4

Wow! We have been so busy this term in E4! Last week we enjoyed the Book Week Parade with so many amazing costumes and book characters on display. The week before was the Faction Carnival where we all participated with resilience and respect. Congratulations to Kove and Elyse for winning Champion Boy and Girl for Yr 1.

During Stem 10 we experimented and investigated the properties and behaviours of glass using similar materials. We especially enjoyed making sugar glass decorations and shining light through jelly to make it glow! The stories and information shared during the incursion was very interesting and we were lucky enough to be able to look up close at several artefacts.

It must be nearly time for the holidays!!!

W1

In W1 we have been having a fun time learning about grids. The children designed grid cities and discussed the importance of having grid references. This led to the grid reference game, where students design a safe grid reference path where the other students had to read grid references to find a safe route across the blue grid maps. The kids had so much fun with this game in class, that they taught other children at lunch and recess how to play the grid reference game.

STEM 10!

HAVE FUN, ASK WHY AND LET
YOUR IMAGINATION FLY!

STEM 10! That's a wrap.

Wow what a fun filled two weeks of learning, giggles and light bulb moments. Students learned through hands-on activities and incursion sessions. They had so much fun being immersed in all things glass. Thank you to all the teachers for making this event an annual highlight for many in the community.

Remember to...

Have fun, ask why and let your imagination fly!

W3

Over the last month, W3 has been doing some fun activities with the Wildcats. W3 has made marble runs and sugarglass decorations. We also made different foods, including banana pancakes with chocolate chips (don't tell!) and mini pizzas which had lots of toppings. We are keeping some of our ingredients secret! At the visit W3 versed Jesse, Kyle, Bryce and many more of the Wildcats. Sadly we lost by four points. Will Roseworth ever beat the Wildcats? We don't know but we will keep trying!

Written by Adam, Ally & Ricky (Year 4)

SCHOOL HOLIDAY PROGRAMS

ENROL TODAY

KINGSWAY INDOOR STADIUM - September to October 2022

In partnership with

SCIENCE

F = ma

In Science over the past week we have been exploring animals, life cycles and body parts a little closer. We have seen them through a magnifying glass and through a microscope. Here are a few pictures for you to make some predictions of what part of what animal they might be. Good luck guessing.

School Holiday Sports Programs for Juniors

Programs are run at Stirling Leisure Centres – Hammersley, Scarborough and Herb Graham – Mirrabooka.

A range of sports are played each day where kids will learn new skills, meet new friends and have good fun burning energy. The program is suitable for children aged 5 to 11 years.

Visit www.stirling.wa.gov.au/schoolholidays for more information.

- Football (AFL)
- Dodgeball
- Basketball
- Cricket
- Netball
- Soccer

Stirling Leisure Centres –
Herb Graham – Mirrabooka
38 Ashbury Crescent, Mirrabooka

If your child is born **between 1 July 2018 and 30 June 2019** then Roseworth Primary School would like to invite you to come and see us to enrol your child for **Kindergarten 2023.**

Application forms can be obtained online at Roseworthps.wa.edu.au OR in person at Roseworth PS

Waste Free Lunch Tuesday of Week 2 & 9 each term.

What's in your waste-free lunchbox?

It's easy to pack a nutritious lunch with no throw-away packaging!

- Use a lunchbox
- Use a beeswax wrap
- Avoid packaged foods
- Compost food scraps

Try and be waste free everyday!

CONTAINER DEPOSIT SCHEME : Roseworth Scheme ID is C10289016.

2023 SCHOOL PLANNING

IS/ARE YOUR CHILD/REN LEAVING ROSEWORTH?

A reminder that our school Administration staff are beginning to plan for the 2023 school year. All of the funding that comes to Roseworth Primary School to provide our teachers, support staff and to manage our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is **not** returning to Roseworth in 2023 (excluding Year 6 students) so that we can prepare for the year ahead. **Please complete this slip and return it to the Front Office ASAP if your child is NOT returning to Roseworth PS in 2023.**

My child/ren will NOT BE RETURNING TO ROSEWORTH PS in 2023

Student Name: _____ 2022 Year: _____ 2022 Class: _____

Student Name: _____ 2022 Year: _____ 2022 Class: _____

Student Name: _____ 2022 Year: _____ 2022 Class: _____

New school for 2023: _____

Parent Name: _____ Signature: _____

**If you are STAYING at Roseworth in 2023,
you DO NOT have to return this form.**

Office Use only: Date received _____ Init. _____

***PLEASE NOTE - If your child is travelling overseas and will be absent at the start of Term 1 2023. Please complete the following:**

My child/ren _____, _____, _____, is/are travelling overseas to _____ on (date) _____ and will return to Roseworth Primary on (date) ____/____/2023.

Parent Name: _____ Signature: _____

Office Use only: Date received _____ Init. _____
