##### Term 2

Mon 15th Apr - Fri 28th Jun

##### Term 3

Tue 16th Jul - Fri 20th Sep

##### Term 4

Mon 7th Oct - Thu 12th Dec

### NEWSLETTER 2 27th March 2024

Dear Families,

What a busy and hot start to the year we have had! There have been school events, class activities, special cultural occurrences and students establishing their learning goals for the year. I believe we are all ready for a break, to recharge and be prepared for Term 2.

#### NAPLAN

NAPLAN for Year 3 and 5 students is now complete. NAPLAN tests help the school plan for learning of literacy and numeracy for students across the school. Well done to all the students who participated and had a go. Thanks to Mrs Lee for coordinating the testing across the school.

#### Pick up and drop off

We enjoy greeting our students and their families at the gate each morning and again in the afternoon. Please remember if you are driving, to park where there are bays and ensure road rules are followed. Staff at the gates are very concerned at the number of students who are walking out onto the road without looking or families who are double parking which affects visibility. Please do the right thing as the safety of our students is very important.

We also discourage children from playing on the school equipment after school. Staff are not able to supervise as they are planning for the following day or attending staff meetings and our students are tired after a busy day learning. If you would like to organise a play date after school, Ferrara Park is the place to go.

#### Year 6 Camp

The Year 6 students went on camp at Bickley Outdoor Recreation Camp last week. Some of the activities were challenging but the Year 6 students showed perseverance, resilience and teamwork to complete them. Thank you to all the staff who volunteered and supervised, enabling the students to have a unique school experience. A special thanks to Mr Josh Spring as the camp coordinator.

#### Harmony Day

We look forward to celebrating our different cultures that make up our Roseworth community. It is fantastic to see the many different cultures that make up the Roseworth community.

#### Market Day

Our Term 1 community event was the Market Day on Tuesday 26/3/24. It was a great opportunity to raise some funds for the school, and our sister school in Cambodia, and have a great time. Thanks for all the volunteers for each stall. We raised collectively over \$2000.

#### School Board

I would like to remind parents that we are still looking for representative roles on the School Board. The School Board meet on Tuesday mornings before school in Week 8 of each term to discuss the direction for Roseworth in 2024.

Have a safe and happy break during the Easter school holidays. We look forward to seeing you back at school on Monday 15 April 2024.

Louise Nielsen,  
PRINCIPAL

Please take note of our school's messaging service number, 0437 784 935. We do send notifications regularly. Please update the front office if your mobile number has changed.

THANK YOU!  
 We've raised  
 nearly \$2000  
 for our Sister  
 School in  
 Cambodia, and  
 for our school  
 grounds.

**Waste Free Lunch**  
**Tuesday of Week 2 & 9 each term.**

What's in your waste-free lunchbox?  
 It's easy to pack a nutritious lunch with no throw-away packaging!

- Use a lunchbox
- Use a beeswax wrap
- Avoid packaged foods
- Compost food scraps

**Try and be waste free everyday!**

## School Fees & Charges

Did you know that voluntary contributions for 2024 are now due? All contributions are used for the direct benefit of the children.

The office has EFTPOS facilities to assist you in paying your school fees and charges.

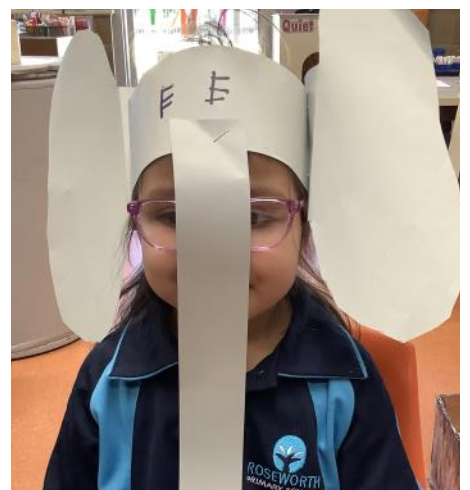

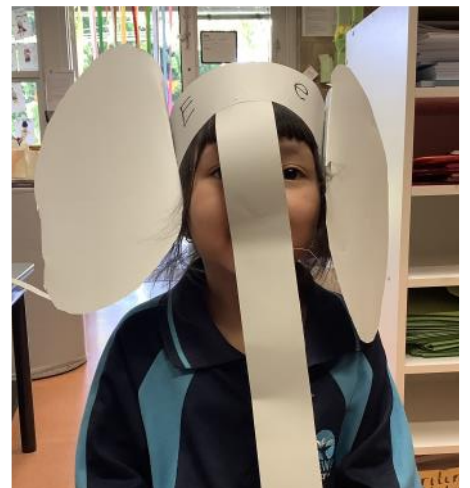

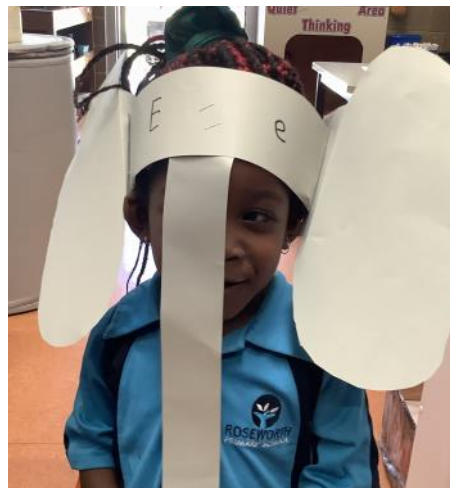

# P1

Guess what? Our little learners in PP1 have been on quite the adventure with letters and their sounds. They've now got 18 letter sounds under their belts! It's been a fun ride seeing them light up as they make those connections. We've been mixing it up with games, songs and all sorts of playful learning to make sure those sounds really stick. It's awesome to watch them grow and learn in such a joyful way. Can't wait to see where this journey takes them next.

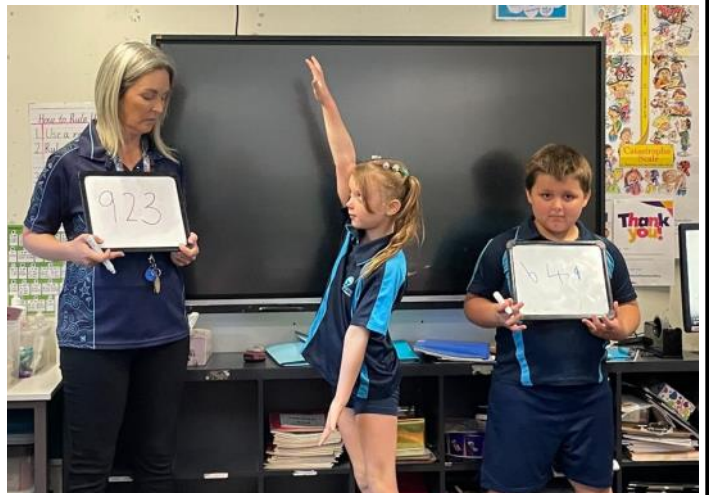

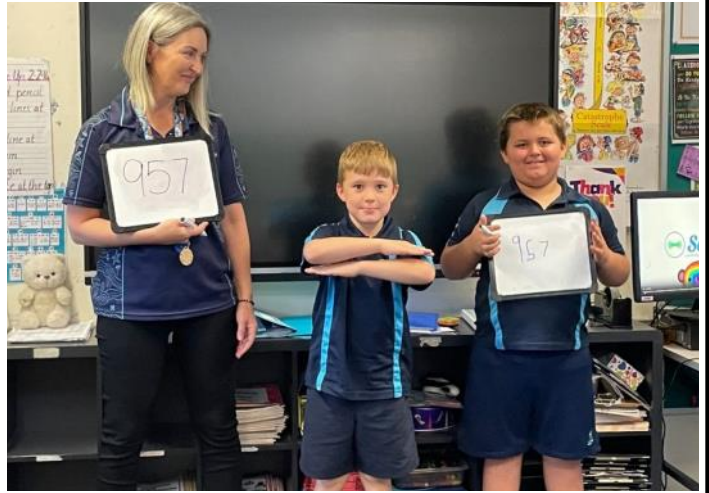

# P2

Guess Who?  
In PP2 we have been learning about letters and the sounds they make. When we talked about the letter E we made some elephant hats. We wrote a capital E and a lowercase 'e' on our hat. Can you guess who each elephant is?

# E2

In Maths, we are learning how to identify and compare a number as 'less than', 'greater than' or 'equal to' another number.

# E3

With the cooler weather greeting us, E3 has taken our morning Dandjoo Koorliny circle outside to enjoy the breeze and bird song.

We can't wait till Djiran when we can be outside more often!

# E4

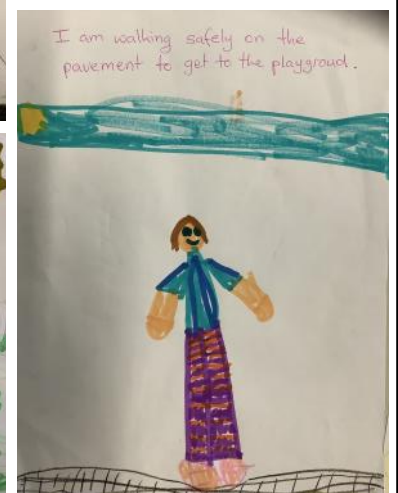

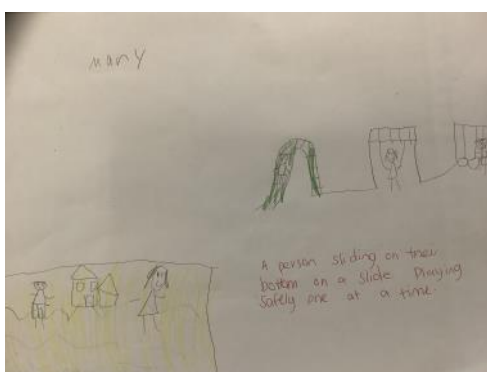

This term, Mrs Foley took E4 out to Montrose Park for an On—Country walk. Here, students experienced eating gum from the Banksia Tree, the boys played marbles with kwel nuts while girls made dolls with sticks and kwel nuts from the Sheoak Tree. Although it was a scorcher, students thoroughly enjoyed this experience and learnt so much from Mrs Foley!

# E5

In Health this term, we have been learning how to keep ourselves and others safe.

We made some posters to show one of the safe behaviours we should show in the playground.

# W1

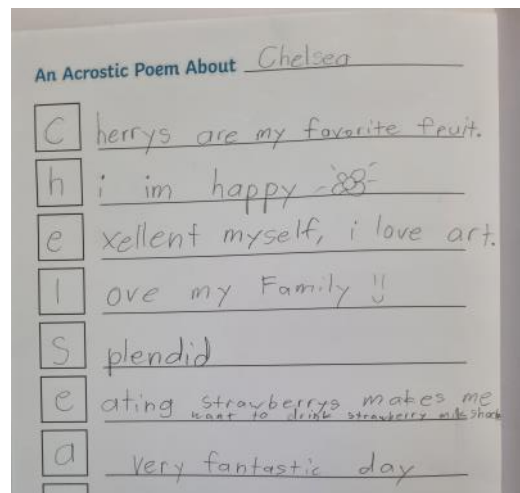

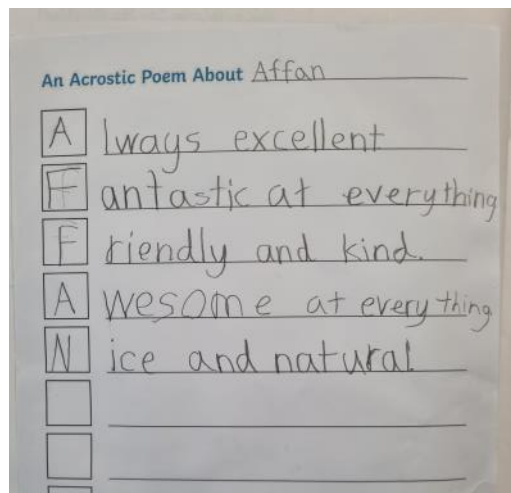

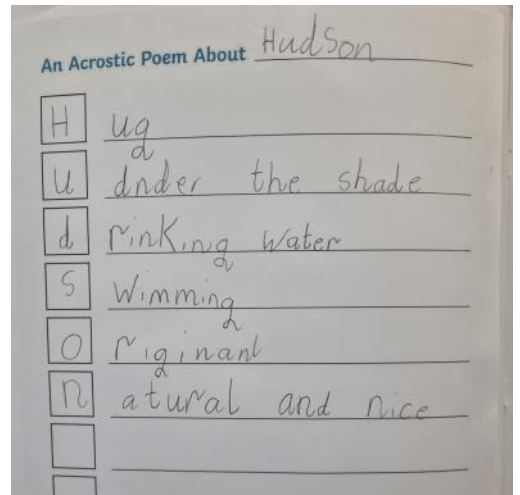

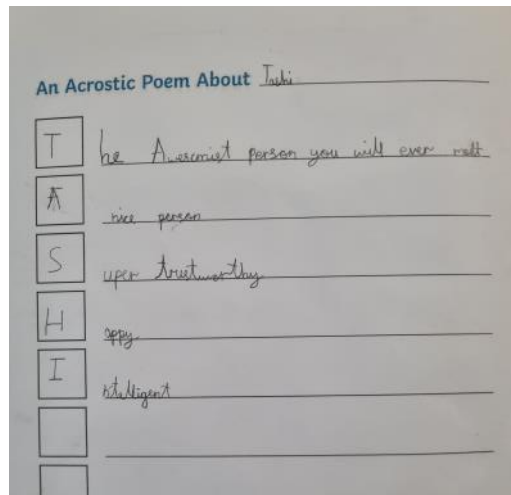

For Digital Technologies W1 we were using our iPads to create some art. We created name labels to display around our classroom. Students needed to navigate to the website, manipulate the software to create different designs, effects and colours.

# W2

This term has flown by with a busy two weeks past us we'd like to congratulate all our Year 3 students for their hard work with NAPLAN. We're very proud of all of them.

We have started looking at poetry to round out the term. This week we each created an acrostic poem using our names as the topic. We all had fun brainstorming and choosing what to write to match up with each letter of our names.

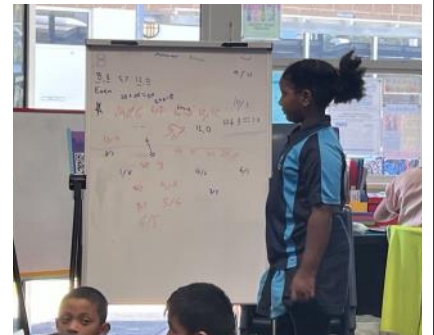

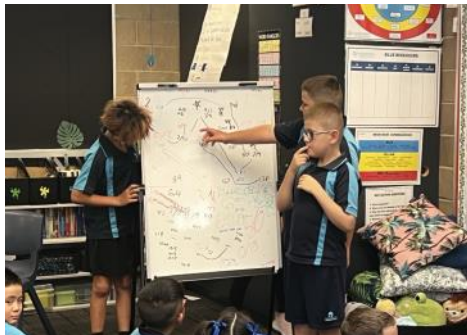

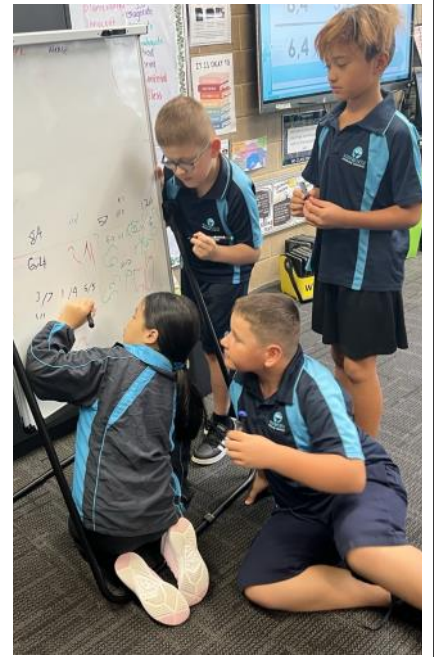

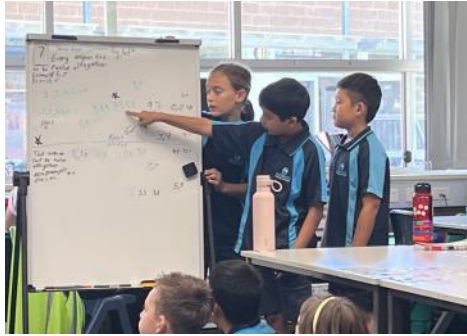

# W3

Over the year, W3 will be participating in Lighthouse Maths. Each week we are given a challenging mathematics problem, which we work through in groups. These lessons help us to build up our persistence while we expand our mathematics skills.

"When we solve the problem it feels great" - Saw- Kler

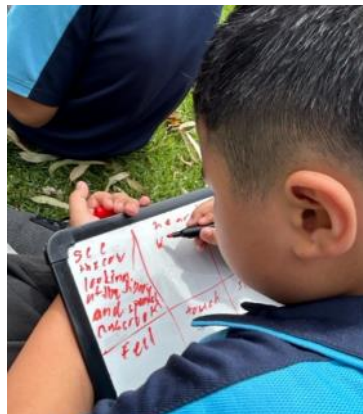

"It's fun and challenging" - "Safwaan

# W4

## Sensational Sizzling Starts

This term W4 has been focusing on writing sensational sizzling starts in Literacy. The class had noticed the cow peeking around the building and wondered - What can the cow see? After brainstorming strong words using our five senses plus one board (see, touch, hear, taste, smell and feel), the class headed back inside to write their own sensational sizzling starts. The Roseworth cow had some creative, interesting and surprising adventures!

# Year 6 Camp

Year 6's had an amazing time on camp at Bickley. We spent 3 days trying new activities, working as a team and stepping out of our comfort zones!

Thanks to all the teachers who made it possible!

# Art

The Pre-Primary's have been enjoying coming to the Art Room this term. We have been reading lots of books about colours and flowers. They have used the paint sticks to make some beautiful bunches of flowers!

# Kindy

In Kindy we have started our days with Morning Circle tummy time which builds our core strength. We also participate in daily gross motor activities such as obstacle courses, climbing and core strength movements to strengthen our core trunk muscles. These activities assist us to develop good posture, balance, coordination and endurance which will lead to better learning outcomes.

Receive up to \$500 from ANZ for your 2025 back to school costs

What can the \$500 be spent on?

Laptops and tablets

Uniforms and shoes

Vocational education

Lessons and activities

Books and supplies

Camps and excursions

**CONTAINER DEPOSIT SCHEME**

Roseworth has registered for Containers for Change, and could raise 10 cents per eligible container.

Please take eligible containers to your closest Refund Point. Please use our school's unique ID when returning containers.

**Our Roseworth Scheme**

ID is **C10289016**.

**Women on Wheels: Learn to Ride Workshops**

Come and meet new friends and try bike riding for FREE at Koondoola Park!

These workshops are suitable for beginners and will include:

- Bike and helmet safety checks
- What you need to get ready to ride
- How to brake, balance and turn
- Traffic awareness
- Basic bike maintenance
- Maps and resources

Bikes and helmets will be provided.

Dates: Friday 19<sup>th</sup> April 10am until 12:00pm , Friday 26<sup>th</sup> April 10am until 12pm , Friday 3<sup>rd</sup> May 10am until 12pm and Friday 10<sup>th</sup> May 10am until 12pm. Places are available until sold out.

RSVP to Sophie at [traffic@wanneroo.wa.gov.au](mailto:traffic@wanneroo.wa.gov.au)

**Circle of Security® Parenting™**  
A FREE 8-week program for parents and carers  
of children 0 - 6 years

Facilitated by experienced Parent Support Workers, this 8-week program is designed to enhance the sense of security and connection for children. Parents will learn how to understand and respond more effectively to their child's emotional needs. This program also provides parents with the opportunity to reflect on the impact of their own experiences on their parenting style.

Registrations are essential, commitment to attend all 8 sessions is required. Crèche is available, call 9342 6363 to book.

# The WA Student Assistance Payment

Helping you get the things you need for your kids.

Get ready to claim by setting up your Digital Identity on ServiceWA. Claims open Monday 15 April.

**\$150** For each Kindergarten and primary school student

**\$250** For each secondary school student

Claim on the ServiceWA app

Last week, the [Premier, Hon Roger Cook MLA](#), and the Minister for Education, Hon Dr Tony Buti MLA, announced the **WA Student Assistance Payment**.

This State Government initiative offers a cost-of-living payment for every student in Western Australia to provide financial relief and assist families with their children's schooling.

All Western Australian school students (Kindergarten to Year 12) currently enrolled in a public school, registered non-government school, or home-schooled, with a valid WA student number (WASN) are eligible to claim this payment from Monday 15 April 2024.

The new WA Student Assistance Payment will provide parents and carers with \$150 for each primary school student. To claim you will need a valid **WA Student Number (WASN)** to be eligible for the payment.

### SEE SEPARATE FLYER FOR YOUR CHILD'S WASN

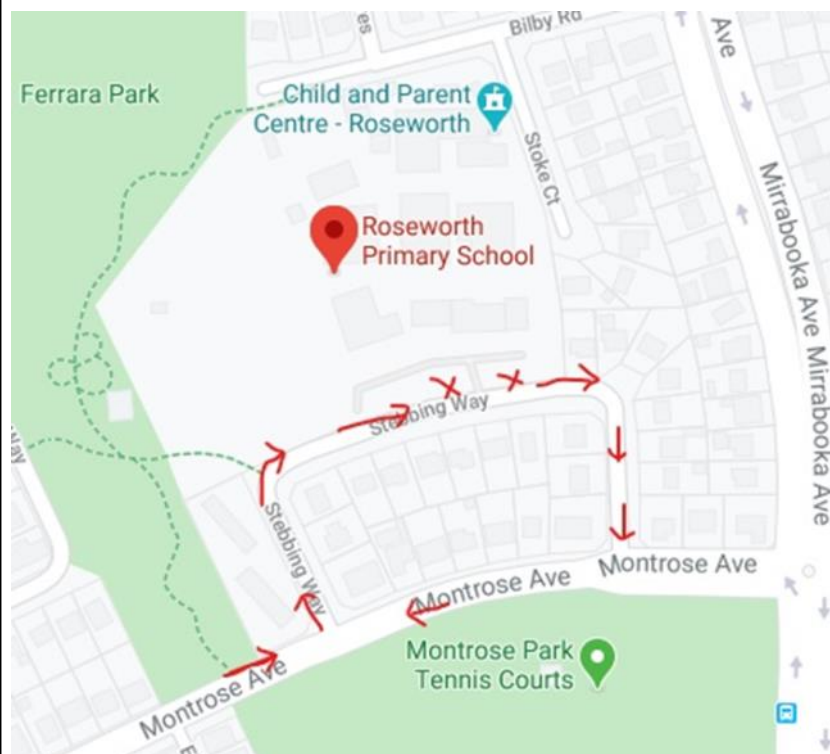

The payments will be available through the ServiceWA app and we encourage you to use the coming weeks to set up your ServiceWA account and digital identity.

Further information is available at [www.wa.gov.au/servicewaapp](http://www.wa.gov.au/servicewaapp)

Visit [www.education.wa.edu.au/wasap](http://www.education.wa.edu.au/wasap) for information on eligibility and how to claim. For any questions or support with the WA Student Assistance Payment, please contact the Helpline on 1800 882 345.

# IMPORTANT REMINDER

## Re: Student Pickups

In order to ensure the ongoing safety of our students and the smooth running of after school pick-up, please refer to the map here. If you are picking your child up after school from the Stebbing Way entrance, and you wish for your child to enter your car without you getting out, please enter Stebbing Way from the west side entrance so that you are on the school side of the street. Please pull into a bay (as indicated by crosses) either before the pedestrian gate, or after. If there is not a free bay, please drive around the block and come around again.

**PLEASE DO NOT OVERTAKE VEHICLES IN THE STREET AT PICK-UP TIME.**

**PLEASE DO NOT ATTEMPT U-TURNS ON STEBBING WAY**
