Who We Are

moorditj wirin - good spirit

BACKGROUND

At Roseworth Primary School our strength is the rich cultural diversity of our students and their families. Our school sits on Wadjak Noongar boodja and our staff are committed to seeing, hearing and learning (djinang, ni wer kaatadjiny) the needs of our students and their families (moortang). Our educators provide a caring, inclusive and stimulating learning environment that supports students to develop the confidence, skills and knowledge to grow in their learning.

High Expectations and High Quality Teaching
Roseworth Primary School is committed to seeing every student successfully learn. Our staff strive to foster a lifelong love of learning in our students by enhancing students' academic, physical, emotional, creative and social skills. The school regularly conducts a number of assessments to ensure we are making progress in the areas we have identified as making the biggest difference for our students.

Relationships and Partnerships
Our school has strong links with the wider community, including major partnerships with Edith Cowan University, The Smith Family and the City of Wanneroo. We share the site with Roseworth Education Centre, Roseworth Dental Clinic and Roseworth Child and Parent Centre. These partnerships have provided us with many unique opportunities; bringing together health and education services to support our families in an inclusive way.

VISION

Every Student, Every Classroom, Every Day
To empower our students (koolangka) to embrace and nurture experiences, and to encourage them to live their best life.

VALUES & BELIEFS

*Our values and beliefs that guide us at Roseworth include:*

Celebrating and embracing culture and community.
Fostering a healthy mind and body.

Caring for Country.
