ROSEWORTH PRIMARY SCHOOL

NEWSLETTER 4 18th June 2025

Kaya Families,

Term 2 has been very busy with our students working hard to achieve their learning goals. The staff have been focusing on ensuring we provide safe learning environments where students can take risks in their learning as well as feeling that all cultures are welcome.

Winter Carnival

Each Friday afternoon this term, most of our Year 5 & 6 students have been competing in interschool games of football, soccer and netball. This included a full day event on Friday 20th June when we hosted 4 schools for a day of games. Thank you to Mr Harris and our Year 5/6 teachers and staff who have been organising the games each week and preparing our teams. The rain didn't dampen the fun and great team work showed by our students. Thank you to the families that came along in the terrible weather to support our students.

NAIDOC

Our NAIDOC celebrations will be occurring Wednesday 2nd July - Week 10. The theme this year is *The next generation: Strength, Vision and Legacy*. The day will start with a NAIDOC themed assembly by W3 & W4 at 9.00am in the undercover area and continues all day with many different cultural activities. Parents are most welcome to come along and join in, including a community cultural lunch of kangaroo sausages and lemon myrtle cakes at 12.45pm. All are welcome.

Reports

Our classes have been working very hard this semester and the teachers are excited about sharing the progress of your child. This will be done through school reports that will be handed out in Week 10, on Wednesday 2nd July.

Kindergarten

Kindergarten enrolments for 2026 are now being accepted. Please let people know who live in the area that have children of this age. Enrolments can be referred to the office.

Wildcats

Some of the Wildcats players, coaches and mascot came to Roseworth on 18 June. Students in Years 2-6 played games and received a T-shirt and give aways. This starts our Inspire program for Year 4 students, focusing on improving attendance, behaviour, literacy and numeracy.

P&C

A reminder that the canteen does not run credits or IOUs. The P&C will be running a PJ day on the last Friday of this term.

Swimming Lessons

Swimming will be in Weeks 3 and 4 next term. Notes will be sent out soon with more information.

Girls on Track

Some of our Year 4 Girls were selected to be part of the Girls on Track event at Wanneroo Raceway on 6th June. Our students attended workshops and got behind-the-scene access and career talks. They had a close look at race cars and the pits before a Motorsport event.

Road Safety

Please be careful when picking students up after school. Drive slowly (40km/h) and look out for children. Please do not double park or get students to enter cars roadside without adult support.

Please keep safe over the holidays and we will see you all next term.

Louise Nielsen
PRINCIPAL

Please take note of our school's messaging service number, 0437 784 935. We do send notifications regularly. Please update the front office if your mobile number has changed.

REMINDER:

SCHOOL FEES & CHARGES

Did you know that voluntary contributions for 2025 are now due? All contributions are used for the direct benefit of your children.

The office has EFTPOS facilities to assist you in paying your school fees and charges.

THANK YOU

Kindergarten enrolments are open

Term 2 Highlights

Term 2 has been packed with fun, excitement and teamwork!

One of the biggest highlights for many of us was the **Interschool Winter Carnival**. It was so much fun playing against students from Koondoola, Westminster and Dianella. We loved having the event at our school, and it was great to see everyone trying to do their best, win or lose (although we were hoping that Roseworth would take out the win!). The Carnival is always a fantastic way to build team spirit and connect with other schools in our area.

Another exciting moment was when the **Perth Wildcats** visited. In Year 4, we missed out on seeing them, so this year it felt extra special. We had an awesome time meeting the players, getting our shirts signed with their new logo, and seeing Wilbur the mascot – everyone was so excited!

The **school disco** was also a huge hit. It was great to see everyone dancing and having fun during lunch. Events like this help us build friendships and enjoy school in a different way.

Term 2 has been an unforgettable term, and we're already looking forward to what Term 3 brings!

— Student Leaders

SWIMMING LESSONS

Reminder that Swimming Lessons are coming soon!

Lessons are planned for Term 3 in Weeks 3 and 4. They run from the 4th to the 15th August. Don't forget to put a bit of money aside now, as payment for the lessons will be required in full **BEFORE** the first session.

Notes will go home at the beginning of Term 3.

GIRLS ON TRACK

On the 6th of June, some of our students attended the 2025 FIA Girls on Track event at Carco Raceway. They certainly had an experience they will never forget!

Art

If you would like to enter this competition please see Mrs Dale in the Art Room. She can help you with ideas, materials and entering.

Our Girls' Group enjoyed making fruit jelly custard cups. We used tinned fruit, custard, creamed rice and jelly. They were yum!

Kindy

Kindy students enjoyed a visit from St John Ambulance last week. We learnt how to call 000 in emergencies and had a tour of an Ambulance Van.

P1

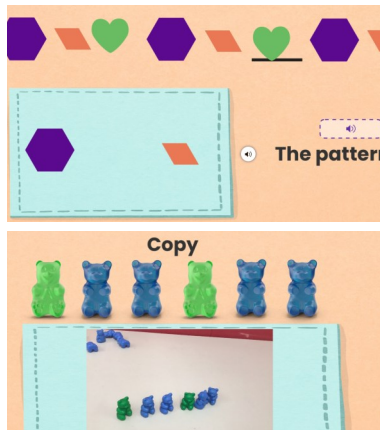

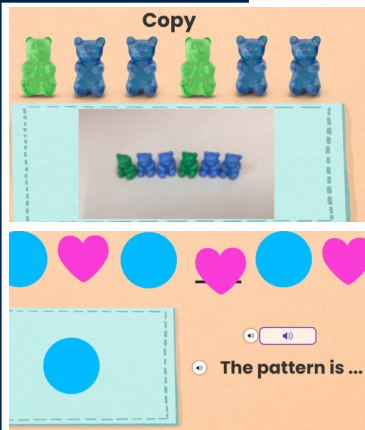

This week, PP1 had a very exciting visit from an ambulance!

We learned all about what an emergency is and when to call 000. The children were fascinated to discover that ambulance officers are called paramedics and wear a special uniform. It was a fun and educational experience that helped us understand how paramedics help people in need.

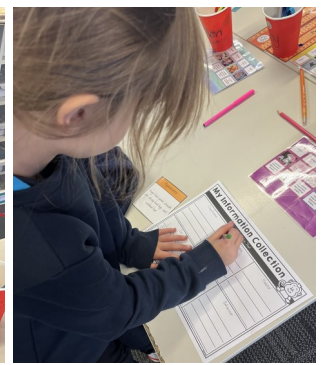

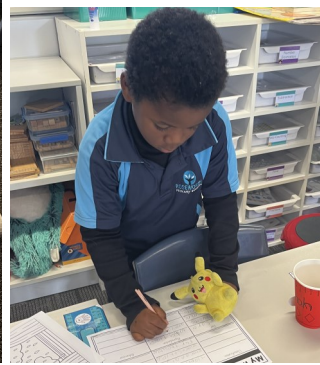

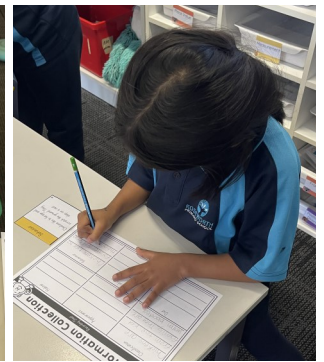

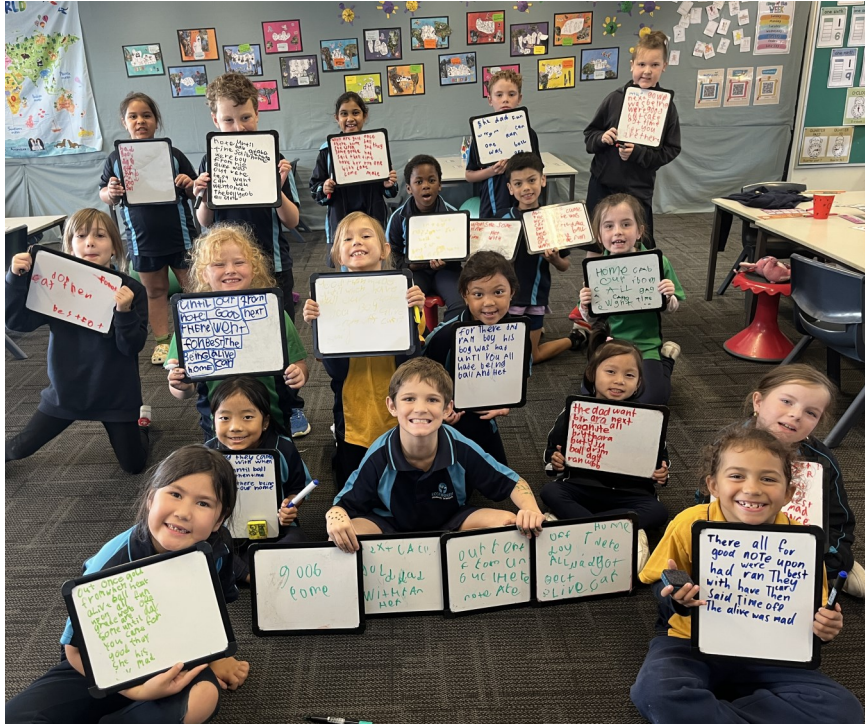

P2

PP2 has been learning about and playing with patterns.
They are everywhere!

E2

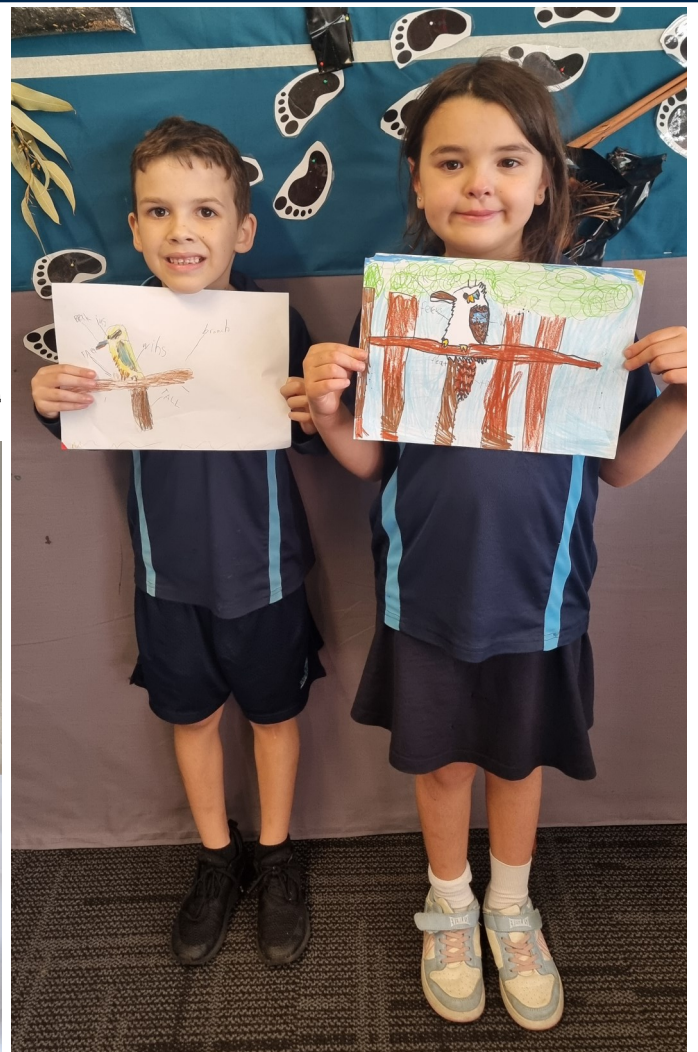

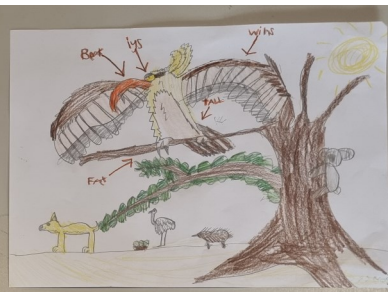

The students in E2 have been busy working on their writing skills and developing confidence during Spelling lessons. They especially enjoy playing Sight Word Detectives and always look forward to their writing sessions. As part of their current unit, they are learning about different types of animals in preparation for their information reports. They now know how to classify animals and gather relevant information for their writing. One of the highlights has been bird watching, where they observed birds closely and discussed their features. The class is excited to finish their reports, and we can't wait to read them at the end of the term.

E3

Over the last week, E3 have been learning about all aspects of birds. Today we all participated in a guided bird drawing of a Kookaburra. In Noongar we call a kookaburra a Kaka.

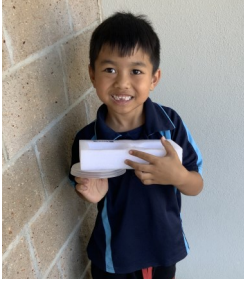

Here are some pictures of our guided drawings:

E4

E4 read the book *The Most Magnificent Thing*. It's a story about what to do when things don't go as planned; teaching resilience, perseverance, disappointment and creativity.

The students created their own magnificent thing and reflected on what worked well and what they could improve on for next time.

E5

In E5 we have made teeny versions of ourselves.

We will use these within our Wandjoo Circle each morning as an indicator we would like to share a story or bring up an important topic for our class to talk about.

Kiddos had fun taking their little versions of themselves on adventures in our classroom too!

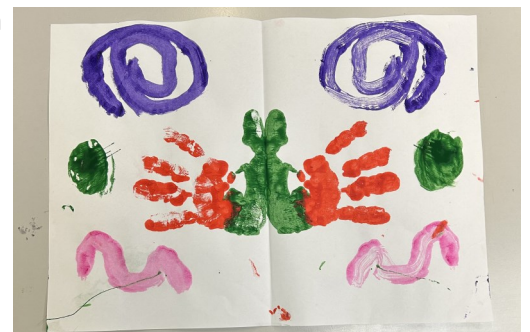

W1

Every Monday until the end of term, Ms Foley will be teaching our class about Noongar culture. During one of our lessons, we went for an interesting On Country walk, identifying native flora within our school bushland whilst collecting pieces to create an in class display.

W2

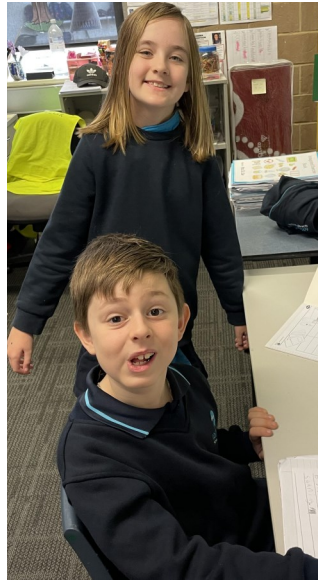

Over the past few weeks in Mathematics, W2 have been learning about symmetry. The students showed their expert knowledge on this topic by creating some symmetrical artwork. They made designs only on one side of the page and pressed it to create a symmetrical design.

W3

In W3, we are having another fantastic term. We have been doing lots of group work with our peers. In this process, we have been learning how we can work effectively as a team and how we can be supportive group members.

In Mathematics, we have been looking at mass. One of the group activities we did, was finding objects in the classroom, predicting its mass and then used measuring scales to find out its actual weight. We loved this activity, and found out some surprising measurements! Next up will be finding the capacity of various liquids.

W4

Every Wednesday morning during fitness, W4 has been enthusiastically working on their fundamental movement skills with Mr Harris. These sessions are packed with fun and energy as students explore a variety of activities designed to build coordination, strength and agility. From creative animal moves like bear crawls and crab walks to practicing essential skills such as throwing and catching, the students are developing their physical abilities in engaging and playful ways. It's been fantastic to see their confidence grow each week as they master new movements and enjoy being active together!

W6/W7

The Year 6 students ran a school disco as a fundraiser. The children decorated the undercover area, collected and added up all the money, distributed juice boxes and chips to the younger students earlier in the day and handed out juice boxes and chips to the older children in the disco.

They helped younger children with their dancing and then, when it was all over, they cleaned and tidied the area so it was spick and span. Their teachers were very proud of the great work they did.

We are nearing the end of this term and it has been quite a busy one indeed (with songs to sing, reports to write and musicians who came to visit us.)

We were very lucky to have the opera come to Roseworth on Monday the 26th of May for the first time ever, and for free.

FREEZE FRAME
[+] opera

Freeze Frame Opera, sponsored by Hawaiian shopping centres, sent four operatic singers, (3 women and man) and also a pianist. They performed songs (arias) from Mozart's famous opera "The Marriage of Figaro", but they changed it to tell the story of Goldilocks and the Three Bears.

It was a huge hit! Some children even got the autographs of the musicians afterward! The children were fully engaged for the 45 minutes that it ran, and asked some very insightful questions afterwards about the scenery and props, and the musicians themselves. I feel that it was thoroughly enjoyed by all – staff and students, from the feedback that I have been given. Let's hope we can get them again next year!

During Term 2 we had our Winter Carnival for our senior students. They've been playing hard each Friday this term in our 3 sports; netball, footy and soccer. In Week 8 we hosted the Winter Carnival at Roseworth, it was a well fought competition against other local schools in some tricky weather conditions but was a great day overall. With 6 games played in each sport throughout the day, there were definitely some tired people afterwards!

Most Valuable Players were awarded in each sport and our own Aliass S took out the soccer award for his achievements and sportsmanship throughout the day.

Well done to all competitors on a fantastic effort.

If you'd like to continue some sport over the next few weeks see the posters below with some great weekend and school holiday football programs.

Child and Parent Centre Roseworth

Hi all,

The end of term is fast approaching and it has been great to have had so many families attending playgroup and workshops this term. Coming up at the centre we have—

Services Australia (see flyer below)

We have recently met with one of their liaison officers, Christine, who will be at the Centre on 26th June from 9.00am to 10am to provide information on Family Tax Benefit and taxation. The session will be informal and she is happy to answer any questions you have and provide other information sessions.

School Holiday Activities (see flyer below)

Bookings are now open for school holiday activities. Our recycling activity will be a family fun activity and other family members are welcome to attend. Our other activities will be a Magic Show and Nature Art. Activities are available for residents of Girrawheen and Koondoola for children aged 4 to 8. See flyer and book early.

Pre-Kindy Playgroup

From Monday 21st July we will be having a three-year old playgroup for children starting kindergarten in 2026. Please call or come to the centre for further information and to enrol.

Workshops Term 3

NOM!, a healthy cooking program will be running in Term 3. You can call the Centre to book your spot. We will also be offering additional workshops in this term, so watch your newsletter or stop into the Centre to find out what's on.

Remember to stop and watch all the amazing things your child is learning!

Hope to see you soon, Helen and Kristy - Child and Parent Centre, Roseworth.
