

UPCOMING DATES

AUG

4th - 15th	SWIMMING LESSONS
Tue 19th	Book Week Parade 9am
Thu 21st	P&C Meeting 2pm
Tue 26th	Assembly (W6/W7 Host)

SEP

Tue 2nd	Faction Carnival Day 1 (Jumps, Throws & Long Distance)
Thu 4th	Fathers Day Stall (P&C Fundraiser)
Fri 5th	Faction Carnival Day 2 (Sprints, Relays & Team Games)
Tue 9th	Assembly (E4/E5 Host)
Tue 16th	Waste Free Lunch
Wed 17th	Interschool Athletics Day 1 (Jumps, Throws & Long Distance)
Fri 19th	Interschool Day 2 (Sprints, Relays & Team Games)
Tue 23rd	Assembly (E2/E3 Host)
Thu 25th	Aboriginal Parents/carers Afternoon Tea
Fri 26th	Footy Colours Day (Yr6 Fundraiser) Last Day of Term 3

From the Principal

Kaya Families,

Welcome back to Term 3 to all our students and their families and also to the new students who have just started at Roseworth.

Swimming Lessons

Swimming is well underway at Balga Leisure Centre, with our students developing vital swimming and water safety skills. Thank you to the staff who have remained flexible and worked around timetable interruptions to ensure that the swimming lessons have gone very smoothly. Thank you also to our families who have assisted with getting children ready each day.

Transition for 2026

Transition Programs from Year 6 to High School will be commencing soon. Please ensure enrolment forms are complete so we can notify the relevant students and their families about orientation activities. The High Schools have asked us to remind parents that enrolment forms for 2026 need to be finalised by now.

Kindergarten 2026

Kindergarten enrolments for 2026 are now being accepted. Please let people know who live in the area that have children of this age. Enrolments can be referred to the office. A Pre-Kindy program will be run by the CPC and will commence in Term 4 this year.

New Attendance System

We are currently in the process of changing School Student Management System (all Department schools are doing this). The new system is Compass and will mean that attendance and communications may look a bit different from the 12/08/2025. More information has been sent out via SeeSaw.

After School

After school is not a time for playing. We request that parents supervise their children and leave the school at 3pm in a safe and orderly manner. If you wish to play after school, Ferrara Park is always available for your use after school hours.

Road Safety

Please be careful when picking students up after school. Drive slowly (40km/h) and look out for children. Please do not double park or get students to enter cars roadside without adult support.

The City of Wanneroo are doing an eScooter safety awareness and remind everyone that essential rules for riding eScooters include the below:

- Only persons 16 and over should ride eRideables.
- Helmet use is essential.
- Only one person per device

Louise Nielsen
PRINCIPAL

Term 3 : Tue 22nd Jul - Fri 26th Sep
Term 4 : Mon 13th Oct - Thu 18th Dec
Additional date to note :
NO SCHOOL FOR STUDENTS on
Friday 21st November 2025.

**10c CONTAINER
DEPOSIT SCHEME**
Roseworth Scheme ID
is **C10289016**.

Kindergarten enrolments are now open for 2026

If your child will be **4 years old by 30 June 2026**,
enrol them in Kindergarten now.

**Contact us
today**

Is your child in Year 6?

High school enrolments are now open for next
year. If your child starts Year 7 next year, **now** is
the time to apply to enrol. **Please be aware**
enrolment into secondary school is not
automatic. It requires you to submit an application
with the secondary school of your choice.

Don't forget let the Front office know which school
your child will be attending next year.

Waste Free Lunch Tuesday of Week 2 & 9 each term.

Saver Plus Information Sessions

We are running Information sessions for anyone thinking about joining the program and wants to learn more about how Saver Plus works.

Eligibility, income and participation criteria. To find out more head to
<https://www.thesmithfamily.com.au/>.

To Register please use the QR Code; Below.

Student Leaders

Term 3 has so many fun things coming up, and we're really looking forward to it! This term started off strong with the Bright Futures incursion. It was one of the best Science incursions we've had! There were heaps of fun activities, and the VR experience was a favourite for a lot of us. Some of the things we're most excited about are:

- Swimming lessons: they always fun, and for some of us, it's our last one!
- Book Week: we love dressing up and sharing our favourite books.
- STEM 10: we can't wait to try the cool experiments and activities.
- Faction Carnival and Interschool Athletics : we love sport and can't wait to race, cheer, and see who wins!
- W6 and W7 assembly. We're working hard and can't wait to perform.

We're also working on our Diamond Badge proposals, like organising soccer games for the younger students. We're excited for the rest of the term and everything that's still to come!

-Student Leaders

Welcome to....

DJILBA

In DJILBA we see:

- Cold and sunny days with frost in the morning
- Kangaroos and wallabies are looking for food
- Wattle opening up while Banksia and Paperbark are flowering
- Fish are in the waterways
- Potatoes underground

Artwork by Carol Foley

Perth Wildcats' ASPIRE Program

This Term our Year 4s have had the awesome opportunity to work with the Perth Wildcats during our Mathematics lessons. Our first session took us on an adventure on the school oval. Our challenge was to follow directions using a map of the school to find secret items hidden all around. During our third session, we did a treasure hunt around the whole school finding various clues to find out a secret word.

Kindy

Early Childhood Vegetable and Herbs Garden

We would like to extend a huge thank you to Bunnings Malaga for their generosity and support! On Wednesday, 30th July, Sandy and Sophie visited Roseworth Primary School and donated a variety of herbs, vegetables and soil enhancers to help setup our new veggie garden in the early childhood playground.

Our students enthusiastically took part in the planting experience, gaining practical skills that encourage responsibility, teamwork and an appreciation for the environment. This marks the start of their journey into exploring nature and observing the growth of plants over time.

PP

Splish, Splash – Swimming Fun!

Our Pre-Primary students have been making a splash at swimming lessons this week! With big smiles and lots of enthusiasm, they've been learning important water safety skills, building confidence in the pool and having loads of fun along the way. It's been wonderful to see their progress and growing independence each day. Well done, swimmers!

Pre-Primary's Green Thumbs in Action!

Last week, our Pre-Primary students had a special visit from Bunnings! The team showed us how to plant our own vegetables and helped us get our hands dirty in the garden. The children loved digging, planting and learning about how things grow. It was a fun and educational experience —Thank you Bunnings, for helping us grow our gardening skills!

E2

What an exciting time our Year 2 students have had at Balga Pools! The children have absolutely loved their swimming lessons and it's been wonderful to see so many smiling faces each day.

They've been busy learning important water skills like paddling, kicking, floating on their backs, and even duck diving under the water. It's been amazing to watch their confidence grow with every session.

We are so proud of all our students for giving it their best and having such a positive attitude in the pool. Well done, Year 2 – you should be very proud of yourselves!

E3

This Term in E3 we are learning all about farm animals. We are learning about narratives and using farm animals to make interesting stories. We are all very excited to be going on an excursion to Landsdale Farm in Week 5.

E4

East Block had some very special guests at the end of last term. E4 thoroughly enjoyed hosting our little fluffy guests and were so excited when they hatched!

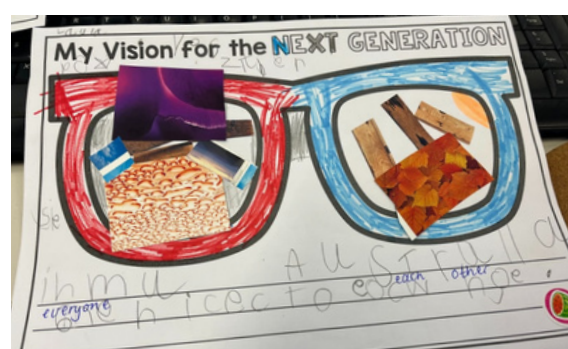

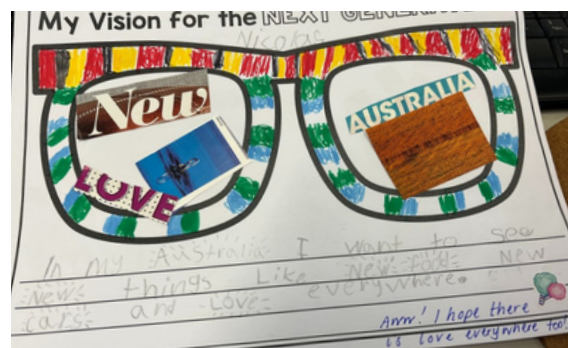

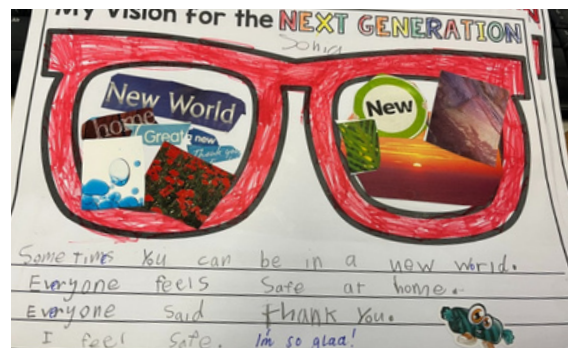

E5

We had a great time at end of Term 2, discussing NAIDOC and our vision for the next generation. Students wrote what they would love to see in their future Australia.

We also had fun with our buddies on the lucky last day, Pyjama Day. We enjoyed reading and playing in the sunshine with them and cooking some sleepy teddy biscuits. Yum!

W1

W1 students are enjoying their swimming lessons at Balga Aquatic Centre. It has been pleasant to watch all students listening to their swim instructors and completing their given tasks. Keep working on your skills everyone 😊

W2

By Konrad

By Emily

This term we are learning about narrative writing. We had a visit from a dragon who left us some dragon footprints. The dragon also left us a story about a boy who stole the dragon's diamonds! We have been practising learning this story through movement and a story map. All students drew pictures for our story map and the class chose Mia-Rose and Gabriel to draw the main character and a dragon. Have a look at our wonderful story map and some examples of how students have sequenced the story for themselves. By the end of this term students will start to independently write their own stories. We can't wait to read them!

W3

We have reached the halfway mark! Another fantastic start to the term with lots of new experiences occurring in W3. We've come back with high energy and a ready to learn attitude.

In Mathematics, we have been exploring the topic of symmetry in various shapes. One of our favourite tasks was identifying different shapes and organising them into how many lines of symmetry they had. Look at us go!

W4

W4 students have been exploring interoception—learning to notice and understand how their bodies feel on the inside. As part of this journey, they participated in fun and engaging activities focused on mouth sensations, trying a variety of textures, flavours and temperatures to discover how different foods and drinks feel. From crunchy to smooth, sour to sweet, and icy cold to warm, students practiced mindful eating and used descriptive language to express their experiences.

These activities helped build body awareness, emotional understanding and vocabulary. All while sparking curiosity and conversation. We're so proud of our learners for embracing this sensory adventure with enthusiasm and open minds!

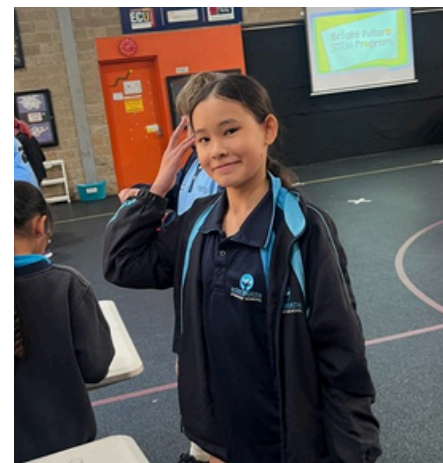

W6 / W7

We ended Term 2 on a high with NAIDOC celebrations — beading, building Mia Mia shelters, and boys learning the didgeridoo. W3 and W4 amazed everyone with a vibrant assembly sharing How the Yongka Got Their Colours.

Term 3 kicked off strongly with the Year 6 Rising Up incursion, promoting mental health awareness and practical wellbeing strategies.

In Week 2, Year 5/6 students took part in Bright Futures, a STEM-packed incursion. They used VR, built circuits, explored coding and solved real-world challenges.

W6 and W7 are off to a flying start. We're excited for what's next!

FIRST LEGO League Season is Here!

Excitement is building as we officially launch into this year's FIRST LEGO League (FLL) Season! After months of preparation, our team is more ready than ever to take on the challenge of this year's theme: "Unearthed."

Throughout the year, we've been strengthening our Core Values, which form the foundation of everything we do in FLL. From problem-solving and teamwork to creativity and resilience, we've explored it all.

Our journey so far has included:

- Solar Car challenges to sharpen our engineering and sustainability thinking
- Writing tasks to build our communication and reflection skills
- Drama workshops to boost confidence, collaboration, and presentation techniques
- Robot design and coding challenges to fine-tune our technical abilities
- T-shirt design and creation, giving us a unified and unique team identity

With all this experience under our belts, we are ready to dive into developing our Innovation Project and refining our Robot Design. We are looking forward to showcasing our work, learning from others and having a fantastic time at the competition.

Mark your calendars!

Our FLL competition takes place on Friday, 14th November.

Please wish our team the best of luck as we embark on this exciting journey. Let's get ready to go Unearthed!

Absent: Louis,
Safwaan, Afan,
Hudson

Bright Future STEM Program

The Bright Futures Incursion for Years 5/6 was a hit!

ART

This term we welcome Olive Cheng to the Art Room as our Artist in Residence. Olive creates Australian Botanical artwork through the process of drawing, woodburning and mural painting. We have been looking closely at plants to sketch their shapes as well as admiring Olive's beautiful work. Mrs Foley has been helping us learn the Noongar names of the plants too. Students will work on their own individual artworks throughout the term and you may even see a mural pop up around the school! This project has been made possible with funding we received from Department of Local Government, Sport and Culture.

Junior Leisure Programs

School Holiday Programs

Keep the kids active and entertained with a wide range of fun activities and programs during school breaks. For enrolment and timetable details, please scan the QR Code.

Stirling Leisure

If you're interested in joining the P&C or can spare an hour or two to help with future events, please contact the front office. We'd love to have you on board!

We're thrilled to share the fantastic results from our recent fundraising efforts!

- Easter Raffle raised over \$700
- Mother's Day Stall brought in a wonderful \$1,333 profit
- Election Day BBQ added another \$672 to our funds.
- Congratulations to W4 for winning the Silver Coin Challenge—Great job!

Thanks to your generous support, these funds have helped upgrade the East Block playground equipment, making a real difference for our students.

Child and Parent Centre Roseworth

Hi all,

We hope you've had a good start to Term 3!

We've got a packed schedule on this term at the Child and Parent Centre, so if you would like to book into any of our upcoming workshops, please contact one of our staff by phone or email or pop into the Centre to register your spot.

Also, if you have any ideas or suggestions of workshops or programs you would like to see at the Centre please let us know! We would love to hear your ideas!

Helen & Kristy - CPC

Child and Parent Centre

Tuning in to Kids

Tuning in to kids is a six-week program for parents and carers of children aged 3 – 12 years old. You will learn helpful ways to teach your children to understand their emotions and how they can better manage them. This can help with their emotional, social and physical functioning, as well as fewer behavioural difficulties.

Date: Wednesdays starting 13th August (6 weeks)

Time: 9:15am – 11:15am

Venue: Child and Parent Centre - Roseworth
1 Stoke Court, Girrawheen

RSVP: Please speak to CPC staff to book your spot

2026 School Planning

IS/ARE YOUR CHILD/REN LEAVING ROSEWORTH?

A reminder that our school Administration staff are beginning to plan for the 2026 school year. All of the funding that comes to Roseworth Primary School to provide our teachers, support staff and to manage our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is not returning to Roseworth in 2026 (excluding Year 6 students) so that we can prepare for the year ahead.

*IF YOU ARE STAYING AT ROSEWORTH IN 2026,
YOU DO NOT HAVE TO RETURN THIS FORM.*

**Please complete this slip and return it to the Front Office ASAP if
your child is NOT returning to Roseworth PS in 2026.**

☐ My child/ren will NOT BE RETURNING TO ROSEWORTH PS in 2026
