Mon 20th - Thu 23rd Book Fair

Tue 21st Waste Free Lunch

Wed 22nd Learning Journey / Picnic, Art Show & Book Fair event

NOV

Thu 13th P&C Meeting 2pm

Tue 18th Assembly (PP host)

Fri 21st PUPIL FREE DAY

Term 3 : Tue 22nd Jul - Fri 26th Sep
Term 4 : Mon 13th Oct - Thu 18th Dec

Additional date to note :

NO SCHOOL FOR STUDENTS on Friday 21st November 2025.

From the Principal

Kaya Families,

What a big few weeks we've had with the Faction Carnival, Landsdale Farm Excursion for E2 & E3, AQWA for E4 & E5, STEM incursions, Healthy Mouths for East block, Year 6 Careers Expo and the Book Week Character Parade.

Faction Carnival

Congratulations to all students on the great sportsmanship displayed during Week 7 Wednesday and Week 8 Monday at the Faction Carnival. It was terrific to see families cheering on the students as they tried to do their best. Well done to all factions but in particular a special congratulations to the winning faction, Acacia.

Thank you to the staff who helped make the carnival a special event, especially Ms Brockman and Mr Harris for the behind-the-scenes organisation. Thanks also to the Roseworth P&C for a great job with supplying snacks and refreshments throughout the day, lunches and the sausage sizzle. You are a great team who keep the community fed. The work done by our volunteer parents and our fabulous canteen manager, Jane, is really appreciated.

P&C Fundraising

The Fathers' Day Stall run by the P&C was very successful, with many students given an opportunity to provide a gift to the significant male in their life while also raising money for the school. The P&C have raised money over the last couple of years to upgrade playground equipment including a new swing set. Thank you for a great effort this year.

Book Week Parade

It was terrific to see so many students and staff dress up as their favourite book character with the theme of "Book an Adventure" this year. The creativity and imaginative thinking of parents who helped make the costumes was outstanding. Thanks to Mrs Lee who was emcee and the students from our extension group who spoke so well, outlining the importance of reading.

Career Expo

The Smith Family provided a mini Career Expo for Year 6 students on 4th September 2025. The students were very engaged and interested to learn about the different careers that they could do when they leave school.

Transition and enrolments for 2026

Transition Programs from Year 6 to High School and Playgroup to Kindergarten have commenced. Please ensure enrolment forms are complete so we can notify the relevant students on orientation activities.

AFTERNOON TEA

Kaya All!

As a nice wind down, after
another busy term.

Roseworth Primary and RESC
will be having an afternoon tea for
our aboriginal parents and carers,
on the 25th of September at 2:15pm.

We would love for you to come
along for a yarn and cuppa.

Hope to see you there!

Waste Free Lunch Tuesday of Week 2 & 9 each term.

What's in your
waste-free
lunchbox?

It's easy to pack
a nutritious
lunch with no
throw-away
packaging!

Use a lunchbox

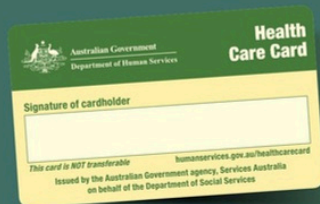

Use a beeswax wrap

Avoid packaged foods

Compost food scraps

Try and be waste free everyday!

Do you have a
health care card?
You could be eligible
for Saver Plus.

REMINDER:

SCHOOL FEES & CHARGES

Did you know that voluntary
contributions for 2025 are now
due? All contributions are used
for the direct benefit of your
children.

The office has EFTPOS
facilities to assist you in
paying your school fees and
charges.

THANK
YOU

ROSEWORTH LEARNING JOURNEY

OPEN DAY Wednesday 22nd October

Parents/Carers are invited to come along and engage in a **LEARNING JOURNEY** with your children. Join us on **Wednesday 22nd October**, from **12:45 to 4.00pm**.

Join us for a Picnic Lunch, Art Show, Book Fair and the opportunity to be part of a learning journey with your children during the afternoon. Students and their families will participate in various activities in their classrooms and across the school.

Come view your child's progress and get involved with their Learning Journey with us. Teachers will be available to have 1-on-1 discussions with parents regarding student progress.

* Picnic Lunch

12:45-1:20 : BYO picnic lunch, or sausage sizzle available from the Canteen. (*Halal options*)

- \$5 for sausage sizzle
- \$2 for drink

* Open Classrooms

We will have Open Classrooms after lunch and students can showcase their work. All areas and classrooms will be open between 1:30 and 4:00pm.

* Art Show

In Undercover Area and Art Room

* Book Fair

From 1:20 in the Spanish Room (next to Library)

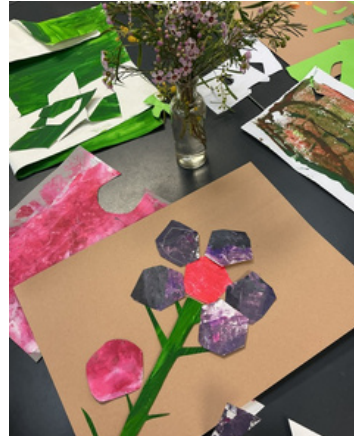

SAVE THE DATE:

Mon 20th to

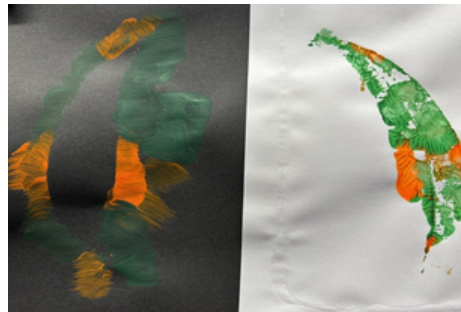

Thur 23rd October
(Week 2, Term 2)

ART

We have lots of projects on the go in the Art Room with Olive. She has been helping us learn new skills like drawing, composition and size. Students are being exposed to a variety of skills and materials like painting, oil pastels, paper collage and wood drawing. We also love it when Olive brings in her latest artwork to show us!

Kindy

During Stem 10 week, we spent some time exploring nature. Exploring nature stimulates our curiosity, observation and critical thinking skills.

PP

Our Pre-Primary students had a wonderful time at the Sports Faction Carnival! We ran fast, cheered loudly and showed great team spirit in all the games.

PP1 and PP2 loved joining in, supporting their friends and celebrating each event together. It was a day full of energy, fun, and smiles!

E2/E3

Students in E2 and E3 had a fantastic time on their recent excursion to Landsdale Farm! They enjoyed hands-on experiences feeding the larger animals—including goats, cows, sheep, and horses—and had the chance to gently pet smaller animals like guinea pigs, rabbits and chickens. Alongside the fun, the students also learned about the importance of composting and how worm farms help reduce waste and improve soil.

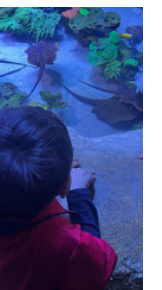

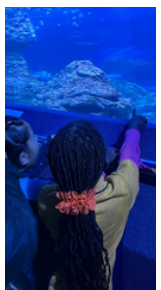

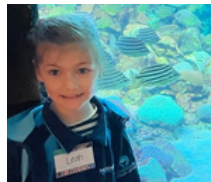

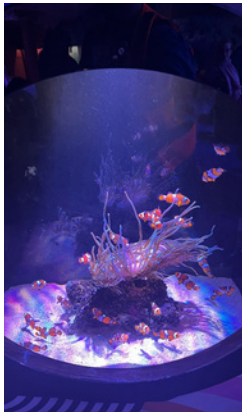

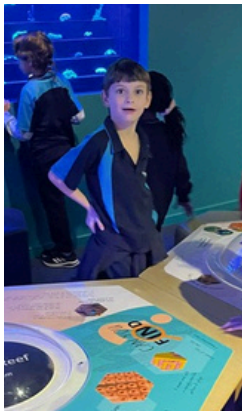

Back in the classroom, this memorable visit has inspired some creative storytelling, as students are now busy writing imaginative narratives about clever animals sneaking around on the farm!

E4/E5

E4 and E5 ventured out of the gates and went to AQWA in Week 5. Here we saw lots of amazing marine life when walking through the Danger Zone and through the tunnel. We absolutely enjoyed it and was a very rich experience for our writing hook for information reports.

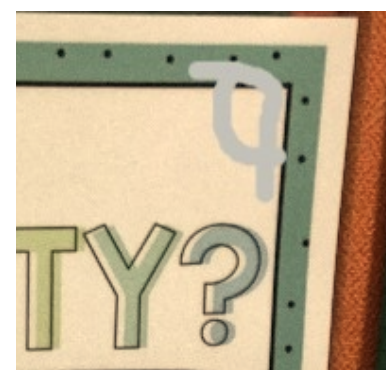

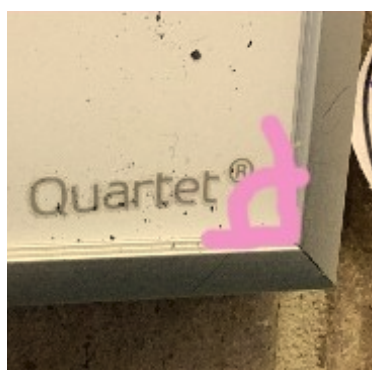

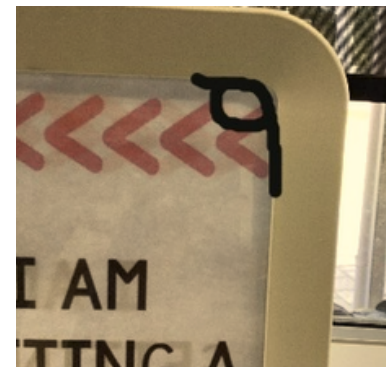

W1

Every Thursday afternoon, Ms Foley works with our students to make items out of natural materials. In Week 7, our boys made boomerangs and our girls, dolls. We enjoy having Ms Foley visit and teach us. Thank you, Ms Foley.

W2

W2 students have been exploring the exciting world of angles in Mathematics. They've been learning how to identify different types of angles, with a special focus on right angles. Using classroom objects, students went on an "angle hunt" to find and label right angles around the room. They were surprised to discover how many right angles they could find in everyday items like books, windows and desks! It's been a fun and hands-on way to build their understanding of geometry.

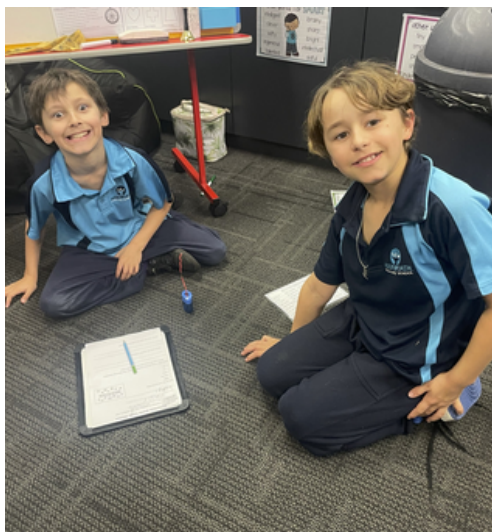

W3

W

3

This term, W3 has been embracing exciting new challenges in their learning journey. In Technologies, we've been exploring Morse Code—a fascinating form of communication used before modern technology. Students learned about the history and purpose of Morse Code, and experimented with different ways to send and receive messages using it. They practised writing words in Morse Code and worked with partners to decode messages. To wrap up the unit, we held a fun and engaging class competition, where students raced to crack Morse Code words using the techniques they had practised. It was a fantastic way to apply their learning in a collaborative and hands-on way!

W4

STEM Week was a blast as we teamed up with our E5 buddies to create quirky, green-haired grass heads! With googly eyes and cheeky smiles, each grass head became a little personality of its own. We learned about plant life cycles, carefully watering and placing them in sunny spots to help them thrive. Every day, we've been observing changes, measuring sprouting lengths and recording our findings like true scientists. It's been a fantastic hands-on experience that's grown more than just grass—it's grown our curiosity, teamwork and our care for living things!

W6 / W7

Year 6 students recently took part in the Career Talks incursion, coordinated by The Smith Family. They met professionals from diverse fields. Speakers included Sreesh (Youth Advocate), Amanda (Website Designer), David (Engineer), Matt (Puppeteer), Jess (Hairdresser), Caroline & Rachel (Nurses), Jason (Site Manager), Mark (Building Designer) and Bec (Organisational Advisor). Students learned that careers can follow many paths and that success doesn't look the same for everyone. They were engaged, respectful and full of curiosity throughout the session. A big thank you to all involved for inspiring our future leaders!

Book Week Parade

Some very creative and clever costumes in our annual Book Week Character Parade this term. Have you already got your thinking caps on for costume ideas for next year?

REGLS

The REGLs Students went to Kaarta Koomba (Kings Park) Tuesday 9th September to observe and investigate the plants and animals that live in and around the botanical gardens and to discuss how Aboriginal knowledge meets western science. Students explored the Noongar seasonal calendar and learned how ecological knowledge and traditional care for country can help to create a sustainable future for all. The students also had a great time playing at the Naturescape playground in Kaarta Koomba. They climbed the ropes course and got their feet wet in the creek. The students were well behaved and had a wonderful time!

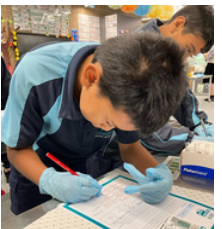

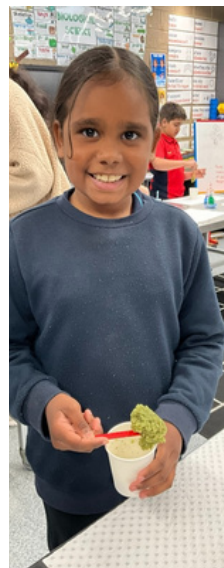

SCIENCE

STEM Week

Students had a fantastic time engaging with the activities throughout the week. The lunchtime Pitfalls Challenge and the Incursion were standout highlights, with lots of excitement and participation.

A big thank you to the STEM Committee and classroom teachers for their hard work, creativity and dedication in planning and running the events. Your efforts made this a memorable and meaningful experience for everyone involved!

Introducing Our FIRST LEGO League Teams

We are proud to have TWO teams in the FIRST LEGO League Challenge! Meet the teams; The Ambitious Artefacts & The Groundbreaking Geniuses.

These enthusiastic students have embarked on a 15-week intensive program, where they will investigate real-world challenges that archaeologists face every day. Their goal is to research and develop innovative solutions to these problems while also programming robots to complete as many missions as possible in just 2 ½ minutes. We're already off to a strong start, with 2 missions being successfully completed, and 2 experts have responded to our outreach emails (One of those experts is Deb, a marine archaeologist featured on Shipwreck Hunters on Disney+).

The teams are hoping to connect with more professionals to help guide and inform their projects. If you work in archaeology or a related historical field, please reach out to Mrs Keunen. We would greatly value the support of a community expert to mentor and inspire our students.

The teams will present their research and compete against other schools in Week 5 of Term 4. Stay tuned for more updates as the journey continues.

We had a fantastic Faction Carnival over the two days. On the Tuesday 2nd September we had our Jumps, Throws and Long Distance Run events. Due to an unfortunate weather forecast, we did postpone Day 2 until the following Monday, but we were very fortunate with clear skies and amazing conditions all day for our Sprints, Relays and Team Games. Thank you to all the families who attended to support the students. We were very lucky to have so many people come down, even with the rescheduled events.

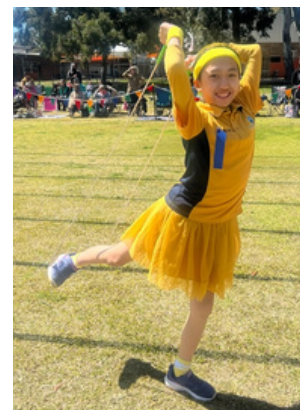

A big thank you to the staff who arrived early on both days to set up the equipment and get the oval ready for our events. The oval looked great and everyone had a wonderful day enjoying the amazing competitors. There were some outstanding individual performances on Day 1 and then some amazing teamwork on Day 2.

Thanks also to the hard-working P&C who helped to feed everyone on the day with a sausage sizzle and other yummy offerings, I certainly don't think anyone went hungry! Our staff worked hard to prepare our students for the day and both PE lessons and Sport sessions were devoted to training this term. Well done everyone on a terrific day.

Congratulations to all students who supported their faction by running in a race and participating in the tabloid games and other traditional team games. It was great to see students supporting each other and there were congratulations all round for our winners and those who showed great effort. It was so nice to see such sportsmanship on display.

The factions were very close across both days, with 8 points separating 1st and 2nd after Day 1 and only 2 points the difference at the end of Day 2.

Ultimately, Acacia emerged victorious by 2 points after some amazing relays, providing them with the last few points they needed to take the final win. Final Scores: Acacia: 563, Wisteria: 561, Banksia: 468. What an awesome competition the 2025 carnival has been.

We had a number of outstanding individual performances.
 Congratulations to all of our
Champions and Runner Up contenders

Year level Boys/Girls	Champion	Runner-up Champion
Year 1 Boys	Cung	Nico
Year 1 Girls	Mujdah	Sonia
Year 2 Boys	Leo	Joel
Year 2 Girls	Poppy	Vivian
Year 3 Boys	Chrispin	Konrad
Year 3 Girls	Emily H	Sophia
Year 4 Boys	Levi	Affan
Year 4 Girls	Sarah	Zendaya
Year 5 Boys	Ariki	Piseth
Year 5 Girls	Lauren	Keturah
Year 6 Boys	Aliass	Brett
Year 6 Girls	Harper	Diana

TERM 3 RECAP

- P&C Meeting - We welcomed 2 new members.
- Father's Day Stall - Was a huge success with over \$1300 being raised.
- Faction Carnival - Welcomed new volunteers, with the Canteen providing a Sausage Sizzle and drinks for students and spectators.

We would like to take this opportunity to thank our volunteers and families for supporting our P&C and events. Your support is crucial to the success and growth of the P&C.

TERM 4

EVENTS SCHEDULE

**THUR
13TH
NOV**

P&C MEETING

2pm in the Admin Staffroom.
Please come along and have your say.

COLOUR RUN

\$5

2pm start on the Roseworth Oval, don't forget to bring a light coloured shirt to wear and your \$5 donation.

**FRI
5TH
DEC**

P&C HELPERS

If you are available to help at any of our upcoming events, please give your details to Tracey in the front office.

We are always happy to welcome new members and grow our P&C.

🌟 Farewell and New Beginnings at the Child and Parent Centre - Roseworth 🌟

After many years of dedicated service to the Girrawheen and Koondoola community, we recently said goodbye to our CPC Manager, Helen Burgess. Helen spent over a decade with The Smith Family, supporting many parents and carers on their parenting journeys and helping them nurture their children's early learning. We extend our warmest wishes to Helen as she begins her well-earned retirement. We have also farewelled Kristy De Silva, CPC Program Coordinator, who has taken on an exciting new role supporting young parents. We wish Kristy every success in this next chapter of her career.

🌟 We're thrilled to welcome Cailey D'Andrea as our new CPC Manager starting Monday, 15th September. Cailey joins us from the Child and Parent Centre in Westminster, where she has worked for nearly 8 years. She brings a wealth of experience in supporting families and promoting children's early learning and school readiness.

Feel free to stop by and say hello to Cailey—we're excited for what's ahead! Scan the QR code to join our Facebook page.

2026 School Planning

IS/ARE YOUR CHILD/REN LEAVING ROSEWORTH?

A reminder that our school Administration staff are beginning to plan for the 2026 school year. All of the funding that comes to Roseworth Primary School to provide our teachers, support staff and to manage our school facilities is based on the number of students who attend our school. It is therefore very important that we have very accurate figures in terms of student numbers. Please let us know if your child is not returning to Roseworth in 2026 (excluding Year 6 students) so that we can prepare for the year ahead.

*IF YOU ARE STAYING AT ROSEWORTH IN 2026,
YOU DO NOT HAVE TO RETURN THIS FORM.*

**Please complete this slip and return it to the Front Office ASAP if
your child is NOT returning to Roseworth PS in 2026.**

☐ My child/ren will NOT BE RETURNING TO ROSEWORTH PS in 2026
